James F. Prescott, Jr.

Mcdonalds Sop Manual 2015:

McDonald and Avery's Dentistry for the Child and Adolescent - E-Book Jeffrey A. Dean, 2015-08-10 UPDATED More emphasis on preventative care and treatment of medically compromised patients helps you provide more effective care NEW Easier to follow design

Emergency Management for Law Enforcement James F. Prescott, Jr., 2023-12-06 With renewed interest in both emergency management and homeland security disproportionate attention and resources have been focused on terrorist threats However natural hazards pose a far greater risk of death injury and property damage to the typical American jurisdiction Hurricanes floods and tornadoes cause billions of dollars in damage and substantial numbers of deaths and injuries each year The aim of this book is to focus on these natural hazards and the linkage between law enforcement and emergency management It draws from criminal justice psychology public administration emergency management public health meteorology leadership and management in an effort to synthesize a wealth of knowledge to better prepare police officers to respond to the complete range of emergencies and disasters they encounter on the job Emergency Management for Law Enforcement Strategies Operations and Tactics will help to better integrate law enforcement officers with other first responder agencies as they work together to resolve critical incidents It pulls together important information obtained from empirical research and disaster experience This knowledge is designed to help law enforcement officers deal with disasters and emergencies more effectively as important players in emergency management Learning these evidence based practical applications will assist police officers in making better decisions in order to take more effective actions at critical incident scenes

Across the Lines of Conflict Michael Lund, Steve McDonald, 2015-12-31 Through a comparative analysis of six case studies this volume illustrates key conflict resolution techniques for peacebuilding Outside parties learn how to facilitate cooperation by engaging local leaders in intensive interactive workshops These opposing leaders reside in small ethnically divided countries including Burundi Cyprus Estonia Guyana Sri Lanka and Tajikistan that have experienced communal conflicts in recent years In Estonia and Guyana peacebuilding initiatives sought to ward off violence In Burundi and Sri Lanka initiatives focused on ending ongoing hostilities and in Cyprus and Tajikistan these efforts brought peace to the country after its violence had ended The contributors follow a systematic assessment framework including a common set of questions for interviewing participants to prepare comparable results from a set of diverse cases Their findings weigh the successes and failures of this particular approach to conflict resolution and draw conclusions about the conditions under which such interactive approaches work as well as assess the audience and the methodologies used This work features research conducted in conjunction with the Working Group on Preventing and Rebuilding Failed States convened by the Wilson Center's Project on Leadership and Building State Capacity

Wildlife Research in Australia Bradley P. Smith, Jordan O. Hampton, Helen P. Waudby, Corinne Alberthsen, 2022-07 Wildlife Research in Australia Practical and Applied Methods is a guide to conducting wildlife research in

Australia It provides advice on working through applications to animal ethics committees presents general operating procedures for a range of wildlife research methods and details animal welfare considerations for all Australian taxa Compiled by over 200 researchers with extensive experience in field based wildlife research teaching and animal ethics administration this comprehensive book supports best practice research methods and helps readers navigate the institutional animal care approval process Wildlife Research in Australia will help foster a national approach to wildlife research methods and is an invaluable tool for researchers teachers students animal ethics committee members and organisations participating in wildlife research and other activities with wildlife
