The Global Guide to Animal Protection Andrew Linzey, 2013-06-01. Raising awareness of human indifference and cruelty toward animals. The Global Guide to Animal Protection includes more than 180 introductory articles that survey the extent of worldwide human exploitation of animals from a variety of perspectives. In addition to entries on often disturbing examples of human cruelty toward animals, the book provides inspiring accounts of attempts by courageous individuals including Jane Goodall, Shirley McGreal, Birute Mary Galdikas, Richard D. Ryder and Roger Fouts to challenge and change exploitative practices. As concern for animals and their welfare grows, this volume will be an indispensable aid to general readers, activists, scholars and students interested in developing a keener awareness of cruelty to animals and considering avenues for reform. Also included is a special foreword by Archbishop Desmond Tutu urging readers to seek justice and protection for all creatures, humans and animals alike. *Travel Resources* Stephen Walker, 2009-08-28. Written for the traveler who needs information beyond what is provided in a general guidebook. *Travel Resources: An Annotated Guide* introduces the reader to comprehensive and specialized travel literature and resources. In this book, author Stephen Walker offers practical and accessible direction for anyone seeking detailed and valuable information on travel while also instructing readers in ways to find information that may not be included in this guide. Organized by topic, each topic begins with information that is useful to new travelers so that anyone can begin with any topic without any previous knowledge of it. However, the book also goes further so as to provide information useful to the seasoned traveler. The wide variety of topics related to travel provide many new and possibly overlooked opportunities even for veteran travelers, and the works included have been selected because of the depth with which each treats its subject matter in order to ensure that each resource is of the quality that today's traveler demands. *The Frugal Globetrotter* Bruce Thoreau Northam, 1996. In this comprehensive budget travel resource, the author reveals how to get a lot of travel excitement for a little price with low cost travel options available from air couriers around the world, airline ticket brokers, domestic and international air charters, auto driveaways, offbeat adventure travel companies and many other resources. Willing's Press Guide, 2002. Coverage of publications outside the UK and in

non English languages expands steadily until in 1991 it occupies enough of the Guide to require publication in parts
