Christianity in a Time of Climate Change Kristen Poole, 2020-04-17 What does climate change have to do with religion and spirituality Even though a changing environment will have a dire impact on human populations affecting everything from food supply to health to housing the vast majority of Americans do not consider climate change a moral or a religious issue Yet the damage of climate change a phenomenon to which we all contribute through our collective carbon emissions presents an unprecedented ethical problem one that touches

a foundational moral principle of Christianity Jesus s dictate to love the neighbor This care for the neighbor stretches across time as well as space We are called to care for the neighbors of the future as well as those of the present How can we connect the ethical considerations of climate change the knowledge that our actions directly or indirectly cause harm to others to our individual and collective spiritual practice Christianity in a Time of Climate Change offers a series of reflective essays that consider the Christian ethics of climate change and suggest ways to fold the neighbors of the future into our spiritual lives as an impetus to meaningful personal social and ultimately environmental transformations **Green Meat?**

Ryan M. Katz-Rosene,Sarah J. Martin,2020-04-16 Green Meat takes a multifaceted approach to the issues of industrialized agricultural production and its relationship to climate change It argues that one singular solution to this problem would undermine the myriad of ways that meat is consumed across regional and cultural lines Although meat may always be a global staple of the human diet it is not too late to re examine current food systems through the framework of sustainability and ecological prosperity Alternatives Journal InfoWorld ,1994-08-29 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Making Nutrition Your Business* Faye Berger Mitchell,Ann M Silver,2011 This is an essential resource for any dietetics professional considering a switch to private practice consulting writing or speaking This book discusses what it takes to go solo how to structure your business money management essentials office space tips how to use technology to rev up your practice marketing ideas that will get you noticed and more *PC Mag* ,1994-09-13 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology The Magic Pill Matt O'Brien,2011 What if there was a pill to help you live longer feel better look younger and improve almost every aspect of your life with zero bad side effects wouldn t you want to take it The Magic Pill will prove to you that with a little time energy and effort you can have all of these benefits and much much more Unveiling the most current scientific information on aging exercise nutrition and supplementation this first guidebook of its kind provides a comprehensive self help approach to living longer improving your health and finding the happiness that resides within us all Matt O Brien takes you on an exciting journey filled with motivation education and inspiration Read this book You will take control of your health and your life will never be the same again Praise from Matt O Brien s Clients I know for certain that I would not have arrived at this fantastic place in my life without Matt O Brien as my coach motivator and friend Thank you Matt for giving me my health fitness and life back Jill Gear Matt O Brien s expertise and ability to teach have transformed my attitude towards exercise and nutrition I have a new passion for my health Brandice Lardner **Eat Right When Time Is Tight** Patricia Bannan,2010-07-07 Too many women eat on the run We don t have time to cook we don t have time to bring a healthy lunch from home we don t even have time to read a menu That s no way to eat and no way to live Eat Right When Time is Tight includes the latest health and nutrition
