

An illustration of a roller coaster construction site. In the foreground, a woman wearing a red hard hat and a red shirt is looking at a blueprint on a clipboard. To her right, two men are standing; one is wearing a blue hard hat and a yellow safety vest, and the other is wearing a red hard hat and a grey shirt. They are both holding large sheets of paper. In the background, a red roller coaster track is being built, with several loops and drops. A yellow roller coaster car is visible on the track. The sky is blue with a large white cloud. The overall scene is a colorful and dynamic representation of a roller coaster's construction.
