God Of Our Understanding Jewish Spirituality And Recovery From Addiction

AW Rasmussen

God Of Our Understanding Jewish Spirituality And Recovery From Addiction:

God of Our Understanding Shais Taub, 2011 Discusses from a Jewish perspective the common alcoholism recovery technique of putting one's faith in a higher power

Recovery, the 12 Steps and Jewish Spirituality Rabbi Paul Steinberg, 2014-09-18 Claim the Spiritual Freedom That Waits Beyond the Suffering and Slavery of Addiction One of the important similarities between AA and Jewish spirituality is the statement in Step 12 to practice these principles in all our affairs There is no dichotomy of sacred versus secular Jewish spirituality applies to how we eat sleep work socialize and recreate There is nothing that is external to the relationship of human being to God from the Foreword A major new Jewish contribution to 12 Step spirituality This easy to read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous AA and other recovery resources With clarity and passion Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience strength and hope of AA He draws on Jewish resources theological psychological and ethical that speak to the spiritual dimension of the disease and shows how the principles of Jewish spiritual recovery directly align with those of the AA 12 Steps Along the way he courageously shares his own personal struggles with alcoholism and addiction in a way that will help others find guidance and a new life path and stay on it

The Twelve Step Pathway Michael Cowl Gordon, 2023-11-01 Uses the hero's journey as the path on which to travel for overcoming addiction and crisis and rescuing your own story This is a book about becoming heroic A hero is a person who faces great danger overcomes incalculable odds and accomplishes that which would have been thought especially by the hero to be impossible to achieve Considering the fear and pain that a person must experience in such an adventure it is a role that few would desire for themselves And yet more of us find ourselves in circumstances demanding heroism than one might imagine In fact people who are never called upon to be heroic at some point in their lives are in the minority if they exist at all This is not a book for people who might want to become heroic someday It is for people who are in the midst of a crisis and who must make a decision about whether they are going to face their situation survive rise above themselves and share their newfound knowledge with others who may need salvation And it is for those who are already traveling such a journey and who would like to gain a new understanding of themselves what their journey was and is about and why it is so important Using the twelve step framework for understanding the inner work a person must do in order to overcome addiction Michael Cowl Gordon walks readers through the journey to inner salvation and peace Using the hero's journey as the path on which to travel through these steps he uncovers the deep work that it takes to be the hero in your own story

Drug Dealer, MD Anna Lembke, 2016-11-15 The disturbing connection between well meaning physicians and the prescription drug epidemic Three out of four people addicted to heroin probably started on a prescription opioid according to the director of the Centers for Disease Control and Prevention In the United States alone 16 000 people die each year as a result of prescription opioid overdose But perhaps the

most frightening aspect of the prescription drug epidemic is that it's built on well-meaning doctors treating patients with real problems. In *Drug Dealer*, MD Dr Anna Lembke uncovers the unseen forces driving opioid addiction nationwide. Combining case studies from her own practice with vital statistics drawn from public policy, cultural anthropology, and neuroscience, she explores the complex relationship between doctors and patients, the science of addiction, and the barriers to successfully addressing drug dependence and addiction. Even when addiction is recognized by doctors and their patients, she argues, many doctors don't know how to treat it; connections to treatment are lacking, and insurance companies won't pay for rehab. Full of extensive interviews with health care providers, pharmacists, social workers, hospital administrators, insurance company executives, journalists, economists, advocates, and patients and their families, *Drug Dealer* is for anyone whose life has been touched in some way by addiction to prescription drugs. Dr Lembke gives voice to the millions of Americans struggling with prescription drugs while singling out the real culprits behind the rise in opioid addiction: cultural narratives that promote pills as quick fixes, pharmaceutical corporations in cahoots with organized medicine, and a new medical bureaucracy focused on the bottom line that favors pills, procedures, and patient satisfaction over wellness. Dr Lembke concludes that the prescription drug epidemic is a symptom of a faltering health care system, the solution for which lies in rethinking how health care is delivered.

Judaism and Health Jeff Levin, PhD, MPH, Michele F. Prince, LCSW, MAJCS, 2013-11-07 The first state-of-the-art comprehensive resource to encompass the wide breadth of the rapidly growing field of Judaism and health. For Jews, religion and medicine and science are not inherently in conflict even within the Torah-observant community but rather can be friendly partners in the pursuit of wholesome ends such as truth, healing, and the advancement of humankind. From the Introduction: This authoritative volume, part professional handbook, part scholarly resource, and part source of practical information for laypeople, melds the seemingly disparate elements of Judaism and health into a truly multidisciplinary collective, enhancing the work within each area and creating new possibilities for synergy across disciplines. It is ideal for medical and healthcare providers, rabbis, educators, academic scholars, healthcare researchers, and caregivers, congregational leaders, and laypeople with an interest in the most recent and most exciting developments in this new important field. CONTRIBUTORS: Rabbi Rachel Adler, PhD; Rabbi Richard Address, DMin; Ronald M. Andiman, MD; Barbara Breitman, DMin; Rabbi Anne Brener, LCSW; Shelly Thomas Christensen, MA; Rabbi William Cutter, PhD; Rabbi Stephanie Dickstein, LMSW; Rabbi Nancy Epstein, MPH; MAHL; Elizabeth Feldman, MD; Rabbi Naomi Kalish, BCC; Rabbi Lynne F. Landsberg; Jeff Levin, PhD, MPH; Judith Margolis, MFA; Adina Newberg, PhD; Kenneth I. Pargament, PhD; David Pelcovitz, PhD; Steven Pirutinsky, MS; Michele F. Prince, LCSW, MAJCS; Rabbi Stephen B. Roberts, MBA, BCC; David H. Rosmarin, PhD; Fred Rosner, MD, MACP; Rabbi Julie Schwartz; Devora Greer Shabtai; Rabbi Mychal B. Springer; Rabbi Shira Stern, DMin, BCC; Rabbi David A. Teutsch, PhD; Rabbi Abraham J. Twerski, MD; Rabbi Simkha Y. Weintraub, LCSW; Rabbi Nancy Wiener, DMin. Addiction to Recovery David E. McCauley, 2016-04-08 This book *Addiction to Recovery: Unlocking Your Potential* is an accumulation of existential realization.

many resources years of recovery education insights and years working in the field of addiction with all adepts in the goal of personal transformation from addiction to recovery This is an integrative approach to living in wellness of recovery I vacated my own mind through deep personal process my own form of meditation and this book came about My hope is this book unlocks the potential that advances new insight into the recovery process for each individual by reframing the process in such a way that the right interpretation by the reader will help recovery click into place What we need to celebrate in recovery is the self discovery of the individual I offer my carefully considered overviews and assessments on the best known treatments theories connected to recovery I have provided a new outlook as a guide for the unwary who had failed at recovery in the past and those just coming into recovery for the first time I count myself among the autodidacts the self taught perpetual student fueled by a passion for new answers and a sense of mission *Recovery at Work* Amy Newman,2024-12-13

The tools I learned in recovery from addiction can help anyone find peace and develop resilience at work The principles behind Twelve Step programs like Alcoholics Anonymous are simple but profoundly useful for restoring balance and building confidence *Recovery at Work* provides practical examples for applying tools to overcome the stress and burnout of daily work life and to build a better career Twelve Step principles have helped millions of people in recovery and they can work for anyone Dozens of real personal stories illustrate ways to handle work challenges and conflicts with honesty humility hope compassion and courage Examples show how to find your footing as though you re walking along a narrow ridge without overreacting or numbing out With practice you ll get better at discerning what you can and can t control at work You ll learn to accept what you can t control and become more skillful at changing what you can control **Why Can't**

Church Be More Like an AA Meeting? Stephen R. Haynes,2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission
