God On Mute God On Mute:

God on Mute Pete Greig, 2011-04-07 Pete Greig the acclaimed author of *Red Moon Rising* has written his most intensely personal and honest account yet in *God on Mute* a book born out of his wife Samie's fight for her life and diagnosis of a debilitating brain tumor Greig asks the timeless questions of what it means to suffer and to pray and to suffer through the silence because your prayers seem unanswered This silence Greig relates is the hardest thing The world collapses Then all goes quiet Words can't explain don't fit won't work People avoid you and don't know what to say So you turn to Him and you pray You need Him more than ever before But somehow even God Himself seems on mute In this heart searching honest and deeply profound book Pete Greig looks at the hard side of prayer how to respond when there seem to be no answers and how to cope with those who seek to interpret our experience for us Here is a story of faith hope and love beyond all understanding

God On Mute Pete Greig, 2020-08 *God on Mute* Pete Greig, 2020-09-22 An honest soul searching pursuit of biblical answers to one of Christianity's most challenging questions What do you do when God meets your prayers with silence Many of us have struggled with prayers that seem to go unanswered and Pete Greig has been down that difficult road of doubt This book is both intensely personal and deeply theological a book born out of his wife Sammy's fight for her life after a horrifying diagnosis The acclaimed author of *Red Moon Rising* wrestles with the hard side of prayer how to respond when there seem to be no answers and how to cope with those who seek to interpret our experience for us For those struggling with prayer *God on Mute* brings a message of hope and comfort but also a better understanding of how we communicate with our Creator Using the timeline of Holy Week from Maundy Thursday through Easter Sunday as a template Greig explores four main questions about prayer from all angles How am I going to get through this Why aren't my prayers being answered Where is God when he seems silent When every prayer is answered what does that mean Silence in response to our most heart felt prayers is the hardest thing for a person of faith to wrestle with The world collapses Then all goes quiet Words can't explain what we're going through People avoid you and don't know what to say So you turn to Him and you pray You need Him more than ever before But somehow even God Himself seems on mute And this sinks into us with a sense of futility But even in this

Mawere, 2022-09-12 This book delves into the topical issue of the future of humanity and of being African in a world increasingly subjected to the power of technology and the dominance of a mercilessly self-absolved global elite A slave is not only someone who is materially impoverished but also someone who is deprived of autonomy and sovereignty in the sense of being physically or virtually chained or shackled to human and nonhuman networks that negate the essence of the I or the self Discouraging the neologism slave 4.0 with the ongoing 21st century revolutions designed to create flat ontologies this book argues that the world is witnessing not only the emergence of industry 4.0 but also the concomitant emergence of slave 4.0 Whereas historically Africans were physically captured and transported across the Atlantic Ocean minds of twenty-first century Africans are set to be nanotechnologically scanned captured and transferred to the metaverse where they will neither own natural resources nor biologically reproduce The book is handy for scholars in sociology anthropology political science government studies development studies digital humanities environmental studies religious studies theology missiology science and technology studies **Is God Man's Friend?** Carole J. Uncovering the Mysteries of God Jeff Kinley, 2011-08 How could Christ be fully man and fully God If God is all loving and all powerful why does he allow pain and suffering Although we have all heard these questions before and perhaps asked them ourselves Jeff Kinley presents these age-old questions in a new light one that speaks to today's generation and their perspective on the world Structured like a mystery novel Uncovering the Mysteries of God has each chapter center on an issue or case as in Chapter 8 Case of the Disappearing Bride The Mystery of the Rapture where Kinley examines what the Bible says about the return of Christ treating it like a Missing Persons File For this generation of believers who are willing to linger in the unknown Kinley does not really answer any of the questions he poses but simply comes to them with fresh perspective some hard facts and a captivating style that will inspire readers to try and solve these mysteries for themselves

21 Things God Never Said R. Larry Moyer, 2019-03-21 A veteran evangelist frees Christians to share the gospel by tackling twenty-one erroneous concepts believers have about witnessing R. Larry Moyer Th. M. Dallas Theological Seminary is the executive director of EvanTell Inc. an evangelistic association in Dallas, Texas and is a speaker at evangelistic outreaches training seminars and in classrooms across the country His other books include *Free and Clear* Larry Moyer's *How To Book on Personal Evangelism* *Thirty One Days with the Master Fisherman* and *Welcome to the Family* **Exiled God and Exiled Peoples** Andrea Fröchtling, 2002 Exiled God and exiled peoples sets out to explore the perceptions of God within a number of

forcibly removed communities in South Africa and Jewish survivors of the Shoah with the latter being predominantly of German origin. Unmuted Usha Reifsnider, 2024-12-12 Proverbs 31:8 challenges God's people to "Open your mouth for those with no voice for the cause of all the dispossessed." In *Unmuted*, Usha Reifsnider makes use of muted group theory to help church leaders and theologians understand the real challenges of identity intersectionality and the myriad ways of being human in God's world. Drawing together powerful testimonies from disciples of Jesus from around the world, Usha Reifsnider brings theological reflection and biblical insight to the contested question of multifaceted identities. As a convert from a Hindu background and married to an American, she is well placed to do so. *Unmuted* ends with a powerful statement about the future of evangelicalism in a clarion cry to the West to listen again to the voices of global church and join in with what God is doing.

What if Listening to God Was Easy? Neil Miller, 2021-09-02 What if listening to God was easy? What if you could learn how to hear God's voice and hear him speak to you all within fifteen minutes? What if after developing a practice of listening to God, your life was totally transformed? God wants to talk to us and he doesn't want it to be difficult. With over sixty stories of listening to God interspersed throughout the text, this highly readable book gives a simple method we can immediately adopt to help us hear God's voice on a daily basis. The later chapters show us how we can employ listening to God in discipleship and inner healing prayer. The final chapter demonstrates how people from other religions progress in their spiritual journeys when we help them listen to Jesus. What does this book have that other books lack? A practical step by step that has worked hundreds of times.

A Theology for a Mediated God Dennis Ford, 2015-10-08 *A Theology for a Mediated God* introduces a new way to examine the shaping effects of media on our notions of God and divinity. In contrast to more conventional social scientific methodologies and conversations about the relationship between religion and media, Dennis Ford argues that the characteristics we ascribe to a medium can be extended and applied metaphorically to the characteristics we ascribe to God, just as earlier generations attempted to comprehend God through the metaphors of father, shepherd or mother. As a result, his work both challenges and bridges the gap between students of religion and media and theology.

The Mission of God Christopher J. H. Wright, 2006-10-23 Winner 2007 Christianity Today Missions Global Affairs Book Most Christians would agree that the Bible provides a basis for mission But Christopher Wright boldly maintains that mission is bigger than that there is in fact a missional basis for the Bible The entire Bible is generated by and is all about God's mission In order to understand the Bible we need a missional hermeneutic of the Bible an interpretive perspective that is in tune with this great missional theme We need to see the big picture of God's mission and how the familiar bits and pieces fit into the grand narrative of Scripture Beginning with the Old Testament and the groundwork it lays for understanding who God is what he has called his people to be and do and how the nations fit into God's mission Wright gives us a new hermeneutical perspective on Scripture This new perspective provides a solid and expansive basis for holistic mission Wright emphasizes throughout a holistic mission as the proper shape of Christian mission God's mission is to reclaim the world and that includes the created order and God's people have a designated role to play in that mission
