God Hand Comic:

The Bible and Comics Zanne Domoney-Lyttle, 2023-11-30 This interdisciplinary volume seeks to trace the diverse ways in which stories of biblical women have been reimagined in and as comic books Feminist biblical scholarship has previously addressed the tradition that relegates female biblical characters to secondary roles merely enabling the male characters to attain their own goals Using examples from both secular and religious comic Bibles and comic Bibles aimed at children and older audiences Zanne Domoney Lyttle now fully considers contemporary remediations of biblical narratives to the same degree Remediating ancient biblical text into modern graphical comic books affects the reception of the text in several ways This book aims to investigate how the production format and function of comic Bibles encourages the depiction of biblical characters from a contemporary perspective while also showing some fidelity to the text By presenting a focused analysis on women in the Bible wider issues concerning popular cultural retellings of the Bible in general begin to surface including matters concerning reception history the space between art and literature inhabited by biblical comics and issues of translation and interpretations within contemporary remediations

God's Hand on America Michael Medved, 2019-11-26 The national radio host and bestselling author of *The American Miracle* reveals the happy accidents bizarre coincidences and flat out miracles that continue to shape America's destiny A hopeful message for our troubled times Michael Medved has an eye for a story and a preternatural gift for telling it in beguiling ways Joseph J Ellis Pulitzer Prize and National Book Award winning author of *Founding Brothers* Has God withdrawn his special blessing from the United States Americans ponder that painful question in troubled times as we did during the devastation of the Civil War and after the assassinations of the 60s and as we do in our present polarization Yet somehow on battlefields across western wilderness and in raucous convention halls astounding events have reliably advanced America restoring faith in the Republic's providential protection In this provocative historical narrative Michael Medved brings to life ten haunting tales that reveal this purposeful pattern including A near fatal carriage accident forces Lincoln's secretary of state into a canvas and steel neck brace that protects him from a would be assassin's knife thrusts allowing him two years later to acquire Alaska for the United States A sudden tidal wave of Russian Jewish immigration beginning in 1881 coincides with America's rise to world leadership fulfilling a biblical promise that those blessing Abraham's children will themselves be blessed Campaigning for president Theodore Roosevelt takes a bullet in the chest but a folded speech in his jacket pocket slows its progress and saves his life At the Battle of Midway U S planes get lost over empty ocean and then miraculously reconnect for five minutes of dive bombing that wrecks Japan's fleet convincing even enemy commanders that higher powers intervened against them A behind the scenes conspiracy of the pure of heart by Democratic leaders forces a gravely ill FDR to replace his sitting vice president an unstable Stalinist with future White House great Harry Truman These and other little known stories build on themes of *The American Miracle* Medved's bestseller about America's remarkable rise The confident heroes and stubborn misfits in these pages shared a common faith

in a master plan which continues to unfold in our time God's Hand on America confirms that the founders were right about America's destiny to lead and enlighten the world **Imagining the Jewish God** Leonard Kaplan, Ken

Koltun-Fromm, 2016-09-09 Jewish art has always been with us but so has a broader canvas of Jewish imaginings in thought in emotion in text and in ritual practice Imagining the Jewish God was there in the beginning as it were engraved and embedded in the ways Jews lived and responded to their God This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue A responsive living covenant lies at the heart of this book a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God The contributors to this volume are committed to this form of textual reasoning even as they all move us beyond the text as foundational for the imagined people of the book That people we submit lives and breathes in and beyond the texts of poetry narrative sacred literature film and graphic mediums We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call *God's Hand on A Saved Sinner*

Douglas Nielsen, 2023-02-25 I have written this book to show God's hand on a saved sinner As I have gotten older and looking back on some things in my life I now see God's hand This is just a closer look back at some of the instances where God has stepped in and protected me You will see the intervention of God when my life could have ended I know that God has a plan for me I do not know what it is but God knows everything I have also written this to show that God's hand is on all He will protect his people or give them the grace to endure through the situation they are in I will also try to show that there is no one who is too filthy or too far from the saving grace of Jesus and the salvation they can have through him **Holding**
