and prophecy are injected at few and various times but are bold in their deliveries and the book's main message. The book is about 95% conversational between Johnathan Edward David O Brannon and among Johnathan his mother Sylvia wife Angela and most of the other characters that are within John's universe. Like his last name implies he is Irish and a wee bit on the hot headed side. He also had a strange unknown power when he was a child from age 5 to puberty then it disappeared as quickly as it arrived. Within the very first days of January 2021 he is very belligerent at an alien entity when it approached and called out to him and they have a lively conversation. The alien is not an alien but God. Then The Power returns into his DNA. Then things really heat up. There is a lot of wranglings and twists in his life from a military viewpoint of his inventions to meeting an old friend who becomes his wife. Space travel and bases and orbiting stations then present themselves near the end for the future of mankind. Only God has the final resting place and powers in and through His Spirit to change and rejuvenate human bodies. Johnathan tells his wife Angela Religion will not save us. Only the relationship offered by God to us through his Son our Lord and Savior Messiah God Jesus will save us. *No Other Choice* Paula Rose Michelson, 2016-10-26 While hiding two secrets that would be her undoing Naomi journeys from adolescence to womanhood from frightened isolation and captivity to the noble status of heiress.
