Gods Eyes And Other Parables:

God's Eyes and Other Parables Perry L. Hassell,2002-06 **See Yourself Through God's Eyes** Marie Paul Curley,2019-03-25 Through the use of meditations Scripture passages stories and prayers Sr Marie Paul Curley offers a way to develop a personal relationship with God and to discover his unconditional love for us Curley writes from her own experience creating a guide to fostering healthy self esteem and a sense of personal affirmation for even the busiest reader

The Parables of Jesus Explained and Illustrated Friedrich Gustav Lisco,1850 **God's Parable and Other Poems** Susanna Massey,1895 **The Parables of the Synoptic Gospels** B. T. D. Smith,2013-03-28 Originally published in 1937 this book provides a critical study of the Synoptic Gospels The text is divided into two main sections part one gives an introduction to the gospels with information on their historical background and formal structure part two presents a commentary on the various parables found within the gospels An indices section and detailed notes are also included This book will be of value to anyone with an interest in biblical criticism and the history of Christianity **The Parables of Jesus and the Problems of the World** Richard Q. Ford,2016-09-09 Remarkable is how extensively in each parable Jesus provides a subtle but rich array of unexpected possibilities hidden within the hierarchies of power so commonplace in his world By doing so he profoundly addresses the perils inherent in the prerogatives of many of us living in today s world In these ancient interpersonal tragedies readers can discover modern global analogues where the powerful still control the powerless and where others of us immersed as we are in privilege are still willing to side with control *Interpreting the Parables* Craig L. Blomberg,2012-07-03 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition This widely used text has taken a minority perspective and made it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables The hidden word, 30 devotional studies of the parables. Stereotyped ed Thomas Birkett Dover,1888 An exposition of the Parables Benjamin Keach,1856 **The Twin Parables, Or, the Mysteries of the Kingdom of God** R. W. Mecklin,1892 *Layman's (Laywoman's) Study of the Parables of Jesus Christ* Mary Bullock Carter,2011-02-10 The Parables are indeed a good way to know Jesus on a more personal level By doing more than just reading them STUDYING THEM you can learn the thoughts that were close to His heart You can become more familiar with the things He thought were important You can realize that He not only expects you to walk in God s will but you will learn that He has told you how to do that He never expected you to live to a certain standard without telling you how to accomplish it All we have to do is study His word It is His promise that all things are possible even walking in His will **Christian Work** ,1896 *Thiselton on Hermeneutics* Anthony C. Thiselton,2017-05-15 Hermeneutics is an interdisciplinary study of how we interpret texts especially biblical texts in the light of theories of understanding in philosophy meaning in literary theory and of theology This volume brings together the seminal thought of a leading contemporary pioneer in this field Thiselton s The Two Horizons was

a classic on how horizons of biblical texts engage creatively with the horizons of the modern world The author's later New Horizons in Hermeneutics explored still more deeply the transforming capacities of biblical texts while his massive commentary on 1 Corinthians interpreted an epistle This volume collects many of Anthony Thiselton's more notable writings from some seven books and 70 articles to which he adds his own re-appraisals of earlier work It uniquely expounds the thought of a major contemporary British theologian through his own words and includes his own critical assessments The Parable of the Ten Virgins, Opened and Applied Thomas Shepard, 1797 **Notes on the Parables of Our Lord** Richard Chenevix Trench, 1886 *ISRAEL: APPLE OF GOD'S EYE* David A Swincer, 2020-10-11 The first Jew was a Gentile Prior to Abraham there were no Jews there was no nation of Israel Israel exists by the sovereign choice plan and action of God the sovereign ruler of the universe It deserves to be carefully acknowledged and recognised because of that origin and more No other nation has ever attracted the detailed care protection and specific purpose as has Israel Through the Abrahamic Covenant Israel was to become 1 A great nation deriving from Abraham This was a personal blessing 2 They would be given a land to possess the land of Canaan Beware of trifling with God's determination here 3 Through the descendants of Abraham down to Christ there would be an international blessing This belated nation would become central to God's purpose in order to determine the salvation destiny of the whole world God warned 3I will bless those who bless you and whoever curses you I will curse Genesis 12 3 Nations that have failed to appreciate that statement have learned to their own detriment if they have tried to oppose Israel they are opposing Israel's God Nations who have supported Israel have benefited from the blessing of Israel's God Don't mess with Israel They are the Apple of God's Eye **The New Adelphi**, 1927 *Studies in the Parables of Jesus* Halford Edward Luccock, 1917 **Covenant and the Metaphor of Divine Marriage in Biblical Thought** Sebastian R. Smolarz, 2010-10-14 In his commentary on Hosea H W Wolff proposed that the divine marriage metaphor is the central metaphor of the entire OT In Hebrew prophetic books the metaphor reflected the covenantal relationship between Yahweh and his people No other metaphor reached as deeply into the heart of this relationship or better described the tragedy of a broken relationship between Yahweh and his people No other metaphor expressed more fully the abundance of God's grace shown in the promise of covenant restoration and renewal in the eschaton In this volume Polish Reformed academic Sebastian Smolarz demonstrates that the divine marriage metaphor is also one of the leading NT metaphors used to describe God's restored covenant relationship with his people especially in the Book of Revelation Smolarz argues for continuity between OT and NT concepts and theologies in general and for continuity between the Apocalypse and OT material in particular showing that the Apocalypse has much in common with other parts of the NT In doing so he focuses on some Gospel parables and reads them against their OT background He also examines instances of the divine marriage metaphor in Paul's theological reflections The focus of Smolarz volume is a covenantal reading of the Apocalypse He argues that the metaphor helps to establish the Apocalypse's Sitz im Leben which he relates to the main conflict between the faithful

and the unfaithful within the people of God in the first century CE His work establishes that the Apocalypse contains not only explicit instances but also implicit references and many echoes of this covenantal metaphor
