The Land of Milk and Honey Johnson Lam, 2017-06-13 The Land of Milk and Honey A Journey of God's Amazing Grace A common trait of those walking down the back side of the mountain of life is a willingness to reflect back on the course of life Many who were born into a Christian home know what it is to be touched at an early age by God's love only to drift away from the faith falling prey to the temptations of this materialistic world The Land of Milk and Honey is the memoir of such a young man who had always been a free spirited risk taker He knew that it was neither rebellion nor anger that drove him but a relentless desire for more success more independence more of the good life This is the story of his journey one that would take him west from a comfortable home in Hong Kong into a crowded tenement in New York City's Chinatown on to the sprawling campuses of prestigious universities and finally to the executive suite of one of the largest financial institutions on Wall Street It is also a story of spiritual transformation one that would require a series of divine interventions to bring him back to the God he loved so much It would be in China that he finally embraced the true purpose of his life <https://pan.baidu.com/s/1kVBsFtl>
