Jones, 2008-12-08 I was addicted to crack cocaine for twelve years before I hit my rock bottom I became desperate to get off drugs I didn't know what to do or how to get the help I needed to get my life back on track I was afraid to change because I didn't think I could live my life without using drugs So I depended upon the people who were put in my life during my addiction Which led me to Genesis House in Detroit MI A Christian based treatment center for drug rehabilitation In this book I tell how I got where I am today I lived with nine other women with addictions from alcohol to heroine who were seeking the same thing I was life without drugs I will never forget the nine women I lived with for thirty days or their testimonies They were the best thing that ever happened to me We became a family I've been clean for eleven years and no longer have a craving for drugs and as time passed I felt that God saved my life for a reason And that reason was to share what I had To help the ones that are still suffering from their addictions and to let them know it's alright to be afraid but through our testimonies they will learn that there is life after drugs and to help them find their way to a better life for themselves There are families who have family member on drugs who don't know how to help them I hope through this book

that I can help them save at least one person from drug addiction and lead them to a better way to live Without God I wouldn't be here and I thank him every day for giving me a second chance to live my life drug free If You Could See what I See Sylvia Browne,2006 The renowned psychic presents the twenty one Gnostic tenets of her church the Society of Novus Spiritus relating its principles to her own experiences as a guide for others in the search for spiritual awareness
