The Great Transfer of Wealth C. Peter Wagner, 2014-11-25 You Can Be a Part of God's Great Release of Wealth The Bible proclaims a coming day when God will release a great transfer of the world's wealth into the hands of His people Why would God divert the world's wealth in such a manner Wouldn't such an enterprise be driven by greed or the evil spirit of mammon Or might there be a higher purpose Revered author C Peter Wagner delves deeply into this amazing prophecy showing how God will bring about a miraculous worldwide financial transformation so that the Great Commission will be fulfilled and His kingdom will be established on earth And these things will be witnessed by this generation With great wisdom and clarity Wagner describes The proper uses of this wealth The mechanism of its distribution The goals it is intended to achieve How the newly financed church will use its seven mountains of influence to change the world God is poised to shake the world's financial foundations to their core All Bible believing Christians need to take steps to be prepared for they will be the ones God uses to receive this blessing influence the world and help to fulfill Jesus's Great Commission

Halfway Up the Mountain Mark Wagner, William Wagner, 2020-12-29 Recently a top Christian leader wrote an article entitled America is in Crisis What do we do This theme was very interesting to me thus I read it with great expectations but was sorry to hear once again that the apparent answer to the question was to return to the old methods that we have been using in the past The world is changing and there are myriads of new possible methods and tools that can be used in the proclamation of the Gospel We need to seek new answers to the question of What do we do The title of this book shows both the success of the past but also give us new challenges for the future Our goal is to complete the great Commission of Jesus Christ and that is to Make disciples of all nations We have had much success in that at the present time we can say that approximately one third of the world claims some adherence to the Christian Faith But the job is not yet completed We are only half way there In climbing a mountain the start is easy and exciting We look at the beautiful peaks and can imagine what it will be like when we reach the top of the mountain Once we have reached the peak we have an unspeakable joy as to our accomplishments It is only when we are halfway up the mountain that real discouragement sets in When we are half way towards our ultimate goal we need to get ready for the more difficult part of the task We have accomplished much but still much needs to be done There are twelve authors who have contributed to this book All are experts in one of the ten mountains of culture The writers of this book are suggesting how we can look at the ten mountains of culture and discover new and creative ways of making the Gospel known to all peoples This book is intended to both inform the reader of the present situation and to challenge them to think on what we can accomplish when we apply mega thinking to our present situation Authors Jenny Clark Alan Cross Timothy Goropevek Thomas K Johnson John Langlois David McAlvany Mary Catherine McAlvany Timo Plutschinski Charles Reynolds Hans Gu nter Schmidts Walker Tzeng Mark Wagner William Wagner

The Gospel According to Thomas Chinedu Nnadi,2025-08-28 Thomas grew up in the shadows of Detroit s forgotten streets where prayers echoed louder than promises kept He learned early that faith might inspire hope but money kept the lights on By twenty five armed with charm a gift for words and a ruthless determination never to be poor again he launched City of Glory Ministries What began in a rented storefront with folding chairs and borrowed microphones soon swelled into a movement Thomas preached prosperity not repentance Sow a seed he urged the desperate Give and it shall be given unto you His words were fire to the weary and fuel for his ambition Within a year he traded the bus stop for a Bentley his sanctuary overflowing while his followers sank deeper into debt But cracks spread through the empire of smoke and scripture Whispers of stolen offerings Widows left destitute A mother dead after buying her miracle Then came Marissa James an investigative journalist who saw through the designer suits and blacked out ledgers As she dug deeper the carefully polished brand of City of Glory began to crumble The breaking point arrived live on camera a desperate man stood mid

sermon and shouted Where s the money Pastor Where s God in all this The eruption that followed could not be silenced Now Thomas must face the one enemy he cannot charm or deceive the truth A haunting tale of faith greed and the price of deception The Gospel According to Thomas asks when hope is for sale who truly pays Financing the Kingdom William G Pettyjohn, Jr, William G. Pettyjohn, 2010-06 As we all know hard times abound in today s society Many victims have turned to the church for some degree of financial support and prayer just to be turned away due to a lack of funds Annually the churches in America collect and deposit over one hundred billion dollars into the local banks However the majority of those saints cannot go to those same banks and borrow a dime Why does the church not receive any returns or benefits from this money Could this be the reason why the church has been suffering financial defeat With this current lack of stewardship it is much more difficult in fulfilling our assignment regarding the Great Commission Kingdom building and to win the world by our example In this book God has provided a revelation of wealth transfer to finance all His Kingdom interest in the earth Be Blessed Glory to God **Bulletin of the Atomic Scientists** , 1973-10 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world
