Salman Rushdie in the Cultural Marketplace Ana Cristina Mendes, 2016-03-23 Taking up the roles that Salman Rushdie himself has assumed as a cultural broker gatekeeper and mediator in various spheres of public production Ana Cristina Mendes situates his work in terms of the contemporary production circulation and consumption of postcolonial texts

within the workings of the cultural industries Mendes pays particular attention to Rushdie as a public performer across various creative platforms not only as a novelist and short story writer but also as a public intellectual reviewer and film critic Mendes argues that how a postcolonial author becomes personally and professionally enmeshed in the dealings of the cultural industries is of particular relevance at a time when the market is strictly regulated by a few multinational corporations She contends that marginality should not be construed exclusively as a basis for understanding Rushdie's work since a critical grounding in marginality will predictably involve a reproduction of the traditional postcolonial binaries of oppressor oppressed and colonizer colonized that the writer subverts Rather she seeks to expand existing interpretations of Rushdie's work itineraries and frameworks in order to take into account the actual conditions of postcolonial cultural production and circulation within a marketplace that is global in both orientation and effects

Twentieth Century Fiction George Woodcock, 1983-04-01 **Twentieth Century Paris** Marie-José Gransard, 2020-07-09 Paris is the crowning jewel of France and this literary guide for travellers explores its 20th century history from 1900-1950 Paris at the turn of the twentieth century had become the cultural capital of the world Artists and writers came to contribute to flourishing avant garde movements as the Left Bank became a new centre of creativity It drew tourists and travellers but also many exiled from their home countries or escaping political persecution and those seeking freedom from social constraints The romantic myth of Paris persists but Marie Jos Gransard explores the darker side of the City of Lights She brings her subjects to life by describing where and how they lived what they wrote and what was written about them through a wide ranging literary legacy of diaries memoirs letters poetry theatre cinema and fiction In Twentieth Century Paris A Literary Guide for Travellers 1900-1950 both the visitor and the armchair traveller alike will find familiar names from Ernest Hemingway and George Orwell to Virginia Woolf and Katherine Mansfield and they will encounter unfairly forgotten or

neglected writers and many artists and musicians famous and less well known Russians and writers and thinkers from as far as the Caribbean and Latin America **The Intellectual in Twentieth-Century Southern Literature** Tara

Powell,2012-01-09 Never in its long history has the South provided an entirely comfortable home for the intellectual In this thought provoking contribution to the field of southern studies Tara Powell considers the evolving ways that major post World War II southern writers have portrayed intellectuals from Flannery O Connor s ironic view of interleckchuls to Gail Godwin s southerners striving to feel at home in the academic world Although Walker Percy like his fellow Catholic writer O Connor explicitly rejected the intellectual label for himself he nonetheless introduced the modern novel of ideas to southern letters Powell shows by placing sympathetic non caricatured intellectuals at the center of his influential works North Carolinians Doris Betts and her student Tim McLaurin made their living teaching literature and creative writing in academia and Betts s fiction often includes dislocated academics while McLaurin s superb memoirs often funny frequently point up the limitations of the mind as opposed to the heart and the spirit Examining works by Ernest Gaines Alice Walker and Randall Kenan Powell traces the evolution of the black American literacy narrative from a stress on the post Emancipation conviction which saw formal education as an essential means of resisting oppression to the growing suspicion in the post civil rights era of literacy acts that may estrange educated blacks from the larger black community Powell concludes with Godwin who embraces university life in her fiction as she explores what it means to be a southern female intellectual in the modern world a world in which all those markers inscribe isolation **Re-Writing Jesus: Christ in 20th-Century Fiction and Film**

Graham Holderness,2014-11-20 At the heart of Christian theology lies a paradox unintelligible to other religions and to secular humanism that in the person of Jesus God became man and suffered on the cross to effect humanity s salvation In his dual nature as mortal and divinity and unlike the impassable God of other monotheisms Christ thus became accessible to artistic representation Hence the figure of Jesus has haunted and compelled the imagination of artists and writers for 2 000 years This was never more so than in the 20th Century in a supposedly secular age when the Jesus of popular fiction and film became perhaps more familiar than the Christ of the New Testament In Re Writing Jesus Christ in 20th Century Fiction and Film Graham Holderness explores how writers and film makers have sought to recreate Christ in work as diverse as Anthony Burgess s Man of Nazareth and Jim Crace s Quarantine to Martin Scorsese s The Last Temptation of Christ and Mel Gibson s Passion of the Christ These works are set within a longer and broader history of Jesus novels and Jesus films a lineage traced back to Ernest Renan and George Moore and explored both for their reflections of contemporary Christological debates and their positive contributions to Christian theology In its final chapter the book draws on the insights of this tradition of Christological representation to creatively construct a new life of Christ an original work of theological fiction that both subsumes the history of the form and offers a startlingly new perspective on the biography of Christ Great World Writers

social world of contemporary Irish writers examining fiction novels short stories as well as journalism Discussing writers such as John Banville Roddy Doyle Colm Tóibín Frank McCourt Anne Enright Deirdre Madden and Seamus Heaney Colum McCann David Park and Joseph O'Connor Wulff reveals how the making of a writer's career is built on the rhythms of writing long hours of writing in solitude alternate with public events such as book readings and media appearances Destined to launch a new field of enquiry Rhythms of Writing is essential reading for students and scholars in anthropology literary studies creative writing cultural studies and Irish studies British Literature - Early 20th Century Mr. Rohit Manglik, 2023-09-23

Analyses modernist trends in British poetry fiction and drama **Irish Writing in the Twentieth Century** David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution to our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into Modern Irish Literature and the Primitive Sublime Maria McGarrity, 2024-03-13

Modern Irish Literature and the Primitive Sublime reveals the primitive sublime as an overlooked aspect of modern Irish literature as central to Ireland's artistic production and the wider global cultural production of postcolonial literature A concern for and anxiety about the primitive persists within modern Irish culture The otherness within and beyond Ireland's borders offers writers from the Celtic Revival through independence and partition to post 9/11 a seductive call through which to negotiate Irish identity Ultimately the disquieting awe of the primitive sublime is not simply a momentary recognition of Ireland's primitive indigenous history but a repeated rhetorical gesture that beckons a transcendent elation brought about by the recognition of the troubled ritualistic and sacrificial Irish past to reveal a fundamental aspect of the capacity to negotiate identity viewed through another but intimately reflective of the self within the long emerging twentieth century Irish nation
