Great Expectations Charles Dickens, 2024-07-07 Ours was the marsh country down by the river within as the river wound twenty miles of the sea My first most vivid and broad impression of the identity of things seems to me to have been gained on a memorable raw afternoon towards evening At such a time I found out for certain that this bleak place

overgrown with nettles was the churchyard and that Philip Pirrip late of this parish and also Georgiana wife of the above were dead and buried and that Alexander Bartholomew Abraham Tobias and Roger infant children of the aforesaid were also dead and buried and that the dark flat wilderness beyond the churchyard intersected with dykes and mounds and gates with scattered cattle feeding on it was the marshes and that the low leaden line beyond was the river and that the distant savage lair from which the wind was rushing was the sea and that the small bundle of shivers growing afraid of it all and beginning to cry was Pip Hold your noise cried a terrible voice as a man started up from among the graves at the side of the church porch Keep still you little devil or I ll cut your throat A fearful man all in coarse grey with a great iron on his leg A man with no hat and with broken shoes and with an old rag tied round his head A man who had been

Great Expectations Charles Dickens, 2014-02-26 Dickens s tenth novel was published in 1861 nine years before his death As in David Copperfield the hero tells his own story from boyhood Yet in several essential points Great Expectations is markedly different from David Copperfield and from Dickens s other novels Owing to the simplicity of the plot and to the small number of characters it possesses greater unity of design These characters each drawn with marvelous distinctness of outline are subordinated throughout to the central personage Pip whose great expectations form the pivot of the narrative But the element that most clearly distinguishes this novel from the others is the subtle study of the development of character through the influence of environment and circumstance In the career of Pip a more careful and natural presentation of personality is made than is usual with Dickens He is a village boy who longs to be a gentleman His dreams of wealth and opportunity suddenly come true He is supplied with money and sent to London to be educated and to prepare for his new station in life Later he discovers that his unknown benefactor is a convict to whom he had once rendered a service The convict returning against the law to England is recaptured and dies in prison his fortune being forfeited to the Crown Pip s great expectations vanish into thin air Great Expectations is a delightful novel rich in humor and free from false pathos The character of Joe Gargery simple tender quaintly humorous would alone give imperishable value to the book
