## **Green Against Green The Irish Civil War:**

**Green Against Green - The Irish Civil War** Michael Hopkinson, 2004-03-23 Michael Hopkinson's *Green Against Green* is the definitive study of the Irish civil war putting in perspective a bitter and passionate conflict the legacy of which still divides Irish society today Widely praised and frequently cited as the most authoritative work on the subject it continues to hold its place as one of the finest works on modern Irish history Unlike the Easter Rising and the War of Independence the Irish Civil War has been largely overlooked by historians put off by the messy divisions between former War of Independence allies and its continued importance in modern Irish society even now the rival parties in the conflict form the basis for two of the largest political parties in Ireland In *Green Against Green* Michael Hopkinson addresses this gap in Irish historical writing looking closely at the reasons for the outbreak of civil war the major figures who directed it how it was fought and its impact across Ireland This major achievement of historical scholarship traces the history and course of the war from 1912 to its conclusion starting with a sketch of the background to the divisions which surfaced during the war and continuing through to the functioning of the post civil war Irish State This groundbreaking work a dispassionate account of the most passionate times Irish Times captures the confused loyalties and localised often personal violence that characterised one of the most critical and least studied formative events in modern Irish history *Green Against Green* Table of Contents Preface PART I 1912 1921 The Background to the Treaty Divisions 1912 1918 The Anglo Irish War January 1919 July 1921 and the Truce Period The Treaty Negotiations The Treaty Split The Irish Question in the United States PART II FROM THE TREATY TO THE ATTACK ON THE FOUR COURTS The Political and Constitutional Background in Early 1922 The Military Split De Valera and the Military and Political Developments Military Developments after the Army Convention The North from Treaty to Attack on the Four Courts Social and Governmental Problems The Search for Unity The Constitution The June Election and the Assassination of Sir Henry Wilson PART III THE OPENING OF THE WAR The Attack on the Four Courts Dublin Fighting PART IV THE EARLY CIVIL WAR The Military and Political Background to the Fighting The War in the Localities July August 1922 The Opening of the Guerrilla Phase of the War The Death of Collins The Establishment of the Third D il Peace Initiatives The Formation of the Republican Government The First Executions The British Government and the Early Civil War The Southern Unionists and the Civil War The Civil War and the Railways The War in the Localities September 1922 January 1923 PART V THE WAR S END The Free State Government and Army January April 1923 The Republicans and the Civil War January April 1923 The War in the Localities January April 1923 The North and the Civil War Exile Nationalism The United States and Britain in the Civil War The Ceasefire PART VI THE POST WAR PERIOD The Republicans The Post War Free State Government and Army The Republican Hunger Strike October November 1923 Conclusion **Green Against Green** Michael Hopkinson, 1988 *Green Against Green* Michael Hopkinson, 1988-01-01 [Commemorating the Irish Civil War](#) Anne Dolan, 2006-04-27 After civil war can the winners commemorate their victory hailing their conquering heroes with the

blood of their former comrades still fresh on their boots Or should they cover themselves in shame and hope that the nation soon forgets In this book Anne Dolan explores the tensions between memory and forgetting in twentieth century Ireland By examining the memory of winning the Irish Civil War she discusses the extent to which it has been used to serve party political ends where private grief finds consolation when the dead have fallen from political favour and how the dead are remembered when no one wanted to fight the war The book addresses the Irish Civil War at its most public point at the statues and crosses and in the ritual and rhetoric of commemoration It will be of central interest to all students and scholars of European history and politics The Irish Civil War and Society G. Foster,2015-02-18 The Irish Civil War and Society sheds new light on the social currents shaping the Irish Civil War from the politics of respectability behind animosities and discourses to the intersection of social conflicts with political violence to the social dimensions of the war s messy aftermath

*Protestant Nationalists in Ireland, 1900–1923* Conor Morrissey,2019-10-10 An innovative and original analysis of Protestant advanced nationalists from the early twentieth century to the end of the Irish Civil War Michael Collins and the Civil War Ryle T Dwyer,2012-07-01 On 14 April 1922 a group of 200 anti Treaty IRA men occupied the Four Courts in Dublin in defiance of the Provisional Government Michael Collins who wanted to avoid civil war at all costs did not attack them until June 1922 when British pressure forced his hand This led to the Irish Civil War as fighting broke out in Dublin between the anti Treaty IRA and the Provisional Government s troops Under Collins supervision the Free State rapidly took control of the capital In *Michael Collins and the Civil War* Ryle Dwyer sheds new light on Collins role in the Civil War showing how in the weeks and months leading to the campaign he secretly persisted with guerrilla tactics in border areas This involved not only assassination but also kidnapping and hostage taking In confronting those tactics on behalf of the British for instance Winston Churchill engaged in similar behaviour including killing and hostage taking But until now much of this has conveniently been swept under the carpet of history *Violence and Propaganda in European Civil Wars* Yiannis Kokosalakis,Francisco J. Leira-Castiñeira,2025-03-31 This volume offers a broad overview of the conditions motives and practices of violence during the most prominent intra state conflicts in Europe during the first half of the 20th century This book seeks to move beyond accounts of civil war violence that focus on microlevel motives or grand cleavages arguing instead that violence is best examined as a multidimensional phenomenon involving a range of structural personal and conjectural factors operating at various levels of societal interaction Making a case for methodological pluralism the volume brings together an interdisciplinary team of historians and social scientists to address the aspects of civil war violence from a broad range of empirical and methodological perspectives The book consists of three thematic sections The first section covers contextual issues related to civil war violence including the role of ideology and social dynamics The second and third sections comprise empirical case studies that examine the dimensions of violence in six prominent European civil wars The volume focuses on these particular conflicts because they are almost universally recognized as instances of civil war and this

enables the volume to maintain its analytical focus on the dynamics of violence This book will be of much interest to students of European history civil wars political violence and International Relations in general Chapter 8 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license [Irish Political Prisoners 1920-1962](#) Sean McConville,2020-04-23 Irish Political Prisoners presents a detailed and gripping overview of political imprisonment from 1920-1962 Sean McConville examines the years from the formation of the Northern Ireland state to the release of the last border campaign prisoners in 1962 Drawing extensively and in many cases uniquely on archives and special collections in the three jurisdictions and interviews with survivors from the period McConville demonstrates how punishment came to embody and shape the nationalist consciousness Irish Political Prisoners 1920-1962 commences with the legacy of the Anglo Irish and Irish Civil Wars militancy division and bitterness The book travels from the embedding of Northern Ireland's security agenda in the 1920s and the IRA's search for a role in the 1930s including the 1939 bombing campaign against Britain to the decisive use of internment during the war and the border campaign years This volume will be an essential resource for students of Irish history and is a major contribution to the study of imprisonment **Eoin O'Duffy** Fearghal McGarry,2005-09-22 Eoin O'Duffy was one of the most controversial figures of modern Irish history A guerrilla leader and protégé of Michael Collins he rose rapidly through the ranks of the republican movement By 1922 he was chief of staff of the IRA a member of the Irish Republican Brotherhood's Supreme Council and a Sinn Féin deputy in Dáil Éireann As chief of police O'Duffy was the strongest defender of the Irish Free State only to become after his emergence as leader of the Blueshirt movement in 1933 the greatest threat to its survival Increasingly drawn to international fascism he founded Ireland's first fascist party and led an Irish Brigade to fight under General Franco in the Spanish Civil War He died in wartime Dublin a Nazi collaborator and a broken man This study the first ever biography of Eoin O'Duffy draws on unpublished archival and personal papers to trace his journey from revolutionary republicanism to fascism It examines the importance of cultural forces including the legacy of the Irish Ireland movement Catholicism anti communism and O'Duffy's ideas on sports morality and masculinity to explain his descent into extremism McGarry peels away the public persona to reveal a complex picture of the motives which drove this extraordinary career A crusading moralist and advocate of teetotalism obsessed with the need to counter public immorality who was at the same time a closet homosexual and alcoholic O'Duffy's remarkable life was characterised by self aggrandisement fantasy and contradiction This fascinating biography explores themes as diverse as cultural nationalism violence sectarianism militarism and masculinity to shed new light on Irish republicanism and the politics of interwar European fascist movements It is essential reading for anyone seeking to understand the complexities of culture politics and society in interwar Ireland **An Introduction to the Geopolitics of Conflict, Nationalism, and Reconciliation in Ireland** Kara E. Dempsey,2022-07-29 This book examines ethnoterritorial conflict and reconciliation in Ireland from the 1916

Rising to Brexit 2021 including the production and consequences of the island's two distinct political units Highlighting key geographic themes of bordering unity division and national narratives it explores how geopolitical space has been employed over time to re define divided national allegiances throughout Ireland and within Irish British relations The analysis draws from in depth interviews and archival research and spans supranational state municipal neighborhood and individual scales The book pays particular attention to uneven power structures statecraft perceived truths lived experiences reconciliation efforts and renegotiations of national narratives in the production of symbolic landscapes divided cities and shared space An Introduction to the Geopolitics of Conflict Nationalism and Reconciliation in Ireland provides readers with an analysis of geopolitical power relations and different spatial productions of conflict and peacebuilding in Ireland Offering deeper understanding of these historic and contemporary geopolitical intersections this book makes a valuable contribution to the fields of Political Geography Border Studies Irish Studies European Studies International Relations Cultural Geography and Regional Studies

**The Fall of Dublin** Elizabeth Gillis, 2011-05-05 Focusing on the people and the decisions they made The Fall of Dublin examines the attack on the Four Courts and the subsequent fighting in Dublin in June and July 1922 which signalled the beginning of the Irish Civil War With the use of new sources the book challenges many of the pre conceived thoughts on the fighting in Dublin the role of the leadership on both sides the personalities of those involved and even the destruction of the Four Courts These sources not only shed new light on the conflict itself but more importantly they are invaluable in telling the stories of the ordinary men and women on both sides of the divide who for many years have been forgotten They include memoirs from people on the ground military history bureau witness statements a complete garrison list of people in the Four Courts a copy of the army constitution and the proposed Free State constitution and a copy of the republican proclamation

**Civilising rural Ireland** Patrick Doyle, 2019-01-21 This electronic version has been made available under a Creative Commons BY NC ND open access license The introduction of co operative societies into the Irish countryside during the late nineteenth century transformed rural society and created an enduring economic legacy Civilising rural Ireland challenges predominant narratives of Irish history that explain the emergence of the nation state through the lens of political conflict and violence Instead the book takes as its focus the numerous leaders organisers and members of the Irish co operative movement Together these people captured the spirit of change as they created a modern Ireland through their reorganisation of the countryside the spread of new economic ideas and the promotion of mutually owned businesses Besides giving a comprehensive account of the co operative movement's introduction to Irish society the book offers an analysis of the importance of these radical economic ideas upon political Irish nationalism

**International Encyclopedia of Military History** James C. Bradford, 2004-12-01 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who

commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history

Walled in by Hate Arthur Mathews, 2024-05-09 In July 1927 at just thirty five years old Kevin O Higgins was assassinated on his way to Mass in Booterstown Co Dublin A reviled figure for anti Treaty republicans O Higgins became the target of particular venom for his vocal support of the Free State government s execution policy during the Civil War which saw seventy seven IRA men die before firing squads including the best man at his wedding Rory O Connor In *Walled in By Hate* Arthur Mathews examines not just the life and death of O Higgins focusing on that most acrimonious time in his life but also those of his contemporaries such as O Connor and Erskine Childers who shaped the course of events around him He also delves deep into O Higgins s relationships with the women around him and chronicles the reactions of the men who killed him subjects that until now have remained largely unexplored One of the most compelling characters to have emerged from the conflict and still the target of vitriol today the tragic story of Kevin O Higgins encapsulates the bitter divisions of a time in Irish history that continue to echo in today s Ireland

**Clerical Fascism in Interwar Europe** Matthew Feldman, Marius Turda, Tudor Georgescu, 2013-10-31 This edited volume arose from an international workshop convened in 2006 by Feldman and Turda with Tudor Georgescu supported by Routledge and the universities of Oxford Brookes Northampton and CEU Budapest As the field of fascist studies continues to integrate more fully into pan European studies of the twentieth century and given the increasing importance of secular political religion as a taxonomic tool for understanding such revolutionary movements this collection of essays considers the intersection between institutional Christian faiths theology and congregations on the one hand and fascist ideology on the other In light of recent debates concerning the intersecting secularisation of religion and usually Christian based the sacralisation of politics *Clerical Fascism in Interwar Europe* approaches such conundrums from an alternative perspective How in Europe between the wars did Christian clergy laity and institutions respond to the rise of national fascist movements In doing so this volume provides case studies from the vast majority of European countries with analyses that are both original in intent and comprehensive in scope In dealing with the relationship of various interwar fascist movements and their respective national religious institutions this edited collection promises to significantly contribute to relevant academic historiographies and as such will appeal to a wide readership This book was previously published as a special issue of *Totalitarian Movements and Political Religions*

*The Cambridge History of Ireland: Volume 4, 1880 to the Present* Thomas Bartlett, 2018-02-28 This final volume in the *Cambridge History of Ireland* covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global

The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades. Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century, this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland.

**The Munster Republic** Michael Harrington, 2009. This book follows the action that took place in the Munster Republic during the Irish War of Independence.

**Reader's Guide to Military History** Charles Messenger, 2013-10-31. This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations. Designed for a wide variety of users, it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts. The book examines naval and air warfare as well as significant individuals including commanders, theorists, and war leaders. Each entry includes a listing of additional publications on the topic, accompanied by an article discussing these publications with reference to their particular emphases, strengths, and limitations.

*Armed groups: Studies in National Security, Counterterrorism, and Counterinsurgency* Jeffrey H. Norwitz, 2008. Discussion of armed groups which are considered to include classic insurgents, terrorists, guerrillas, militias, police agencies, criminal organizations, war lords, privatized military organizations, mercenaries, pirates, drug cartels, apocalyptic religious extremists, orchestrated rioters, and mobs, and tribal factions. To study armed groups, use of history, political science, anthropology, sociology, theology, and economics are traditional areas of research. The book also delves into matters of ethics, technology, intelligence, education, the law, diplomacy, military science, and even mythology. The book is divided into five sections: History and armed groups; Present context and environment; Religion and inspiration; thinking differently about armed groups; the shape of things to come.
