F. Delderfield, 2014-07-22 R F Delderfield concludes his bestselling *A Horseman Riding By* saga of twentieth century England with a novel that follows the Craddock family through the end of World War II and the challenges of a new era Paul Craddock's village in rural Devon has endured despite the heartbreak and sorrows of war The landowner and his family have also known their share of loss But now as England struggles to rebuild in the aftermath of World War II he and his wife Claire and their children confront new perils With his livelihood threatened by emerging property laws and his family divided over the future of his beloved Shallowford estate Craddock struggles to preserve his legacy For his sons and daughter the fifties and sixties will be a time of discovery and change that will resonate in the lives of their own children The final novel in Delderfield's magnificent trilogy pays tribute to the courage and unflagging optimism of British villagers trying to keep step with modern times even as they cling to the traditions of a bygone world *The Green Gauntlet* is the third novel in R F Delderfield's saga *A Horseman Riding By* which begins with *Long Summer Day* and continues with *Post of Honour* **The Gauntlet and the Burning Blade** Ian Green, 2022-08-04 For 312 years the rotstorm has blighted the ruins of the Ferron Empire Born of an unholy war between gods themselves it scours the land with acid mists and deadly lightning spawning twisted monstrosities from its nightmarish depths On the Stormwall the men and women of the Stormguard maintain their vigil eyes sharp blades sharper defending the Undal Protectorate from the worst of the rotstorm's corruption But behind the stormfront something is stirring kindling the embers of an ancient conflict and a plan to kill a god Will Stormguard steel be enough to meet the coming tempest As the children of the storm carve a bloody swathe across the Northern Marches the whitestaffs the Protectorate's healers and sages have fled retreating to their island citadel of Riven Their withdrawal has weakened the realm and worse their absence is a death sentence for Flor's daughter Marta Skein sick Marta wastes away from the terrible magic she has inherited from her father and only the whitestaffs have the knowledge

that might save her When Flore is dispatched to reason with the whitestaffs to bring them back into the fold she seizes the chance Her mission could save both the protectorate and her child But on the island of Iskander caged and chained she will only discover the worst betrayal
