Greene And Greene Design Elements For The Workshop:

Greene and Greene Darrell Peart, 2006 Considered among the highest achievements of the American arts and crafts movement Greene Greene furniture was custom built for specific interior spaces and many of the pieces still remain in their original locations This manual written by a nationally recognised furniture maker provides intermediate and advanced woodworkers with well illustrated step by step instructions for classic Greene Greene details including ebony plugs cloud lifts leg indents brackets and pulls A discussion of the design philosophy of the period accompanies how to chapters and photographs of contemporary Greene inspired furniture provide ideas for projects Biographical sketches are included for Charles and Henry Greene Peter and John Hall who built most of the furniture and competing furniture maker Gustav Stickley

In the Greene & Greene Style Darrell Peart, 2013-06-01 Legendary architects and designers Charles and Henry Greene created a uniquely American style in the Arts Crafts tradition and this book combines a detailed understanding of their design aesthetic with specific shop instructions for re creating their works Filled with step by step instructions extensive illustrations and full color photographs the book features several full projects for making replica Greene Greene furniture complete with authentic details such as ebony plugs and splines waterfall legs and curved drawer pulls Showing today s woodworkers precisely how the Greenes achieved their unique designs In the Style of Greene Greene also includes valuable advice on incorporating Arts Crafts elements into new designs

The Artisan Furnituremaker Darrell Peart, 2023-08-29 Learn how to couple inspired design with flawless execution to create your own striking original furniture In his latest book *The Artisan Furnituremaker* long time furnituremaker Darrell Peart author of *Greene Greene Design Elements for the Workshop* and *In the Greene Greene Style* brings all his experience to bear in providing a masterclass on the three fundamental requirements for success in the field of custom furniture design creativity design and workmanship The book offers a detailed examination of the design and production methods of the Greene brothers legendary furnituremakers and architects of the Arts and Crafts Movement and illuminates how the brothers achieved such brilliance in their designs and how they collaborated so successfully with the craftsmen who brought their designs to life *The Artisan Furnituremaker* goes on to show how you can combine all three elements creativity design and workmanship in your own workshop and produce high quality distinctively original pieces of your own Peart covers how creativity is essential for fulfilling the desires of your customers and how superb design translates creativity into an implementable schematic Peart goes on to show that in order to create art that is infused with emotion and original in nature one has to have intuition and inspiration The book demonstrates this by exploring methods the author has used during his long career to forge a very successful custom furniture business that has produced art of lasting value Peart draws upon William Varnum s book *Industrial Arts Design* However he stresses that this is just a starting point and that equations and rules cannot create original art For that intellect intuition and inspiration are required all of which are discussed in relation to art and craft From

there Peart moves on to demonstrate how you can enhance your own design and craftsmanship abilities by a process he calls Design DNA Design DNA is a framework for asking the right questions a procedure he examines at length The Artisan Furnituremaker is the ultimate resource for creators looking to take their craft to the next level and produce striking original work *Fine Woodworking* ,2006 *The Publishers Weekly* ,1917 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
