Out of Oz Gregory Maguire, 2011-11-01 Maguire's work is melodic symphonic and beautiful it is dejected and biting and brave How great that people flock to these magical novels Los Angeles Times Book Review Bestselling author Gregory Maguire's remarkable series The Wicked Years comes full circle with this his fourth and final excursion across a darker richer more complex landscape of the magical land of Oz Out of Oz brilliantly reimagines L Frank Baum's world over the rainbow as wracked with social unrest placing Glinda the good witch under house arrest and having the cowardly Lion on the lam from the law as the Emerald City prepares to make war on Munchkinland Even Dorothy makes a triumphant return in Maguire's magnificent Oz finale tying up every loose green end of the series he began with his classic Wicked the basis for the smash hit Broadway musical

A Lion Among Men Gregory Maguire, 2009-08-25 Since the publication of Wicked millions of readers have discovered Gregory Maguire's fantastically encyclopedic Oz a world filled with characters both familiar and new darkly conceived and daringly reimagined In the third volume of the Wicked Years we return to Oz seen now through the eyes of the Cowardly Lion At once a portrait of a would be survivor and a panoramic glimpse of a world gone shrill with war fever Gregory Maguire's A Lion Among Men is written with the sympathy and power that have made his books contemporary classics

Son of a Witch Gregory Maguire, 2024-08-13 The New York Times bestselling sequel to Wicked the multimillion copy bestseller and basis for the Tony Award winning hit musical soon to be a major motion picture starring Cynthia Erivo and Ariana Grande When a Witch dies not as a crone withered and incapable but as a woman in her prime at the height of her passion and prowess too much is left unsaid What might have happened had Elphaba lived Of her campaigns in defense of the Animals of her appetite for justice of her talent for magic itself what good might have come If every death is a tragedy the death of a woman in her prime keenly bereaves the whole world Gregory Maguire returns to the world of Wicked and the land of Oz to follow the story of Liir the adolescent boy left hiding in the shadows of the castle when Dorothy did in the Witch A decade after the Witch has melted away the young man Liir is discovered bruised comatose and left for dead in a gully Shattered in spirit as well as in form he is tended by the mysterious Candle a foundling in her own right until failed campaigns of his childhood bear late unexpected fruit Liir is only one part of the world that Elphaba left behind As a boy hardly in his teens he is asked to help the needy in ways in which he may be unskilled Is he Elphaba's son Has he power of his own Can he liberate Princess Nastoya into a dignified death Can he locate his supposed half sister Nor last seen in shackles in the Wizard's protection Can he survive in an Oz little improved since the death of the Wicked Witch of the West Can he learn to fly In Son of a Witch Gregory Maguire

suggests that the magic we locate in distant improbable places like Oz is no greater than the magic inherent in any hard life lived fully son of a witch or no

Gregory Maguire, Wickedly Inspiring Spencer Ashcroft, 2024-11-24 Gregory Maguire is a name that has become synonymous with reshaping classic stories and inventing imaginative worlds that captivate audiences across different age groups His literary career is marked by his distinctive voice his ability to reimagine familiar narratives and his deep understanding of the complexities of human nature Through his works particularly his bestselling novel *Wicked* The Life and Times of the Wicked Witch of the West Maguire has cemented his place in the pantheon of modern fantasy authors But before the success of *Wicked* Maguire's journey as a writer was one of exploration learning and gradual evolution filled with moments of challenge discovery and breakthrough Born in 1954 in Albany New York Gregory Maguire's early life seemed anything but destined for literary fame Growing up in a city where the arts and the extraordinary were not the most obvious career paths Maguire found his passion for storytelling nurtured in the vibrant cultural environment of his family His parents were both teachers and it was through their encouragement that Maguire began to see the power of words of the written form and the value of creativity His love for books took root early in his childhood and blossomed into a lifelong pursuit But it wasn't until his college years that he began to develop the skills and ideas that would later fuel his success as a writer While many authors begin their careers with an initial breakthrough Maguire's path was not one of immediate fame He wrote several books before *Wicked* including works of adult fiction but none of them garnered the attention that *Wicked* would However the seeds for *Wicked* had already been planted long before it was conceived Maguire had always been intrigued by the concept of evil its role in literature and how it is often defined in black and white terms The more he explored these themes the more he realized that the narratives surrounding traditionally evil characters particularly those in fairy tales and folklore were ripe for reinterpretation This fascination with complex morality with shades of gray would become one of the central themes of *Wicked* and the Oz series The breakthrough that *Wicked* provided was transformative When the novel was published in 1995 it redefined the story of The Wizard of Oz offering readers a fresh perspective on the infamous Wicked Witch of the West By telling her story Maguire not only questioned the nature of good and evil but also explored themes of identity power and the consequences of societal labels *Wicked* was a critical and commercial success and it opened the door for Maguire to continue exploring themes of morality mythology and history in his later works What makes Maguire's work so distinct is his ability to take something familiar and through deep reflection and creative reinterpretation make it feel new again Whether it is through reimagining characters revisiting fairy tales or exploring complex historical periods Maguire's approach is one of constant reinvention His works speak to the idea that stories have multiple layers and that the meaning of a narrative can change depending on the perspective from which it is told This is a key aspect of Maguire's broader literary philosophy the belief that the act of storytelling is not just about entertainment but about challenging preconceived notions and provoking new ways of thinking

Son of a Witch Gregory

Maguire,2006-09-26 Ten years after the publication of Wicked beloved novelist Gregory Maguire returns at last to the land of Oz There he introduces us to Liir an adolescent boy last seen hiding in the shadows of the castle after Dorothy did in the Witch Bruised comatose and left for dead in a gully Liir is shattered in spirit as well as in form But he is tended to at the Cloister of Saint Glinda by the silent novice called Candle who wills him back to life with her musical gifts What dark force left Liir in this condition Is he really Elphaba s son He has her broom and her cape but what of her powers Can he find his supposed half sister Nor last seen in the forbidding prison Southstairs Can he fulfill the last wishes of a dying princess In an Oz that since the Wizard s departure is under new and dangerous management can Liir keep his head down long enough to grow up For the countless fans who have been dazzled and entranced by Maguire s Oz Son of a Witch is the rich reward they have awaited so long **Mirror Mirror** Gregory Maguire,2003-10-14 A lyrical work of stunning creative vision Mirror Mirror is set in Renaissance Italy where Gregory Maguire draws a connection between the poison apple in the original Snow White story and the Borgia family s well known appetite for poisoning its foes In Mirror Mirror Snow White is called Bianca de Nevada She is born on a farm in Tuscany in 1495 and when she is seven her father is ordered by the duplicitous Cesare Borgia to go on a quest to reclaim the relic of the original Tree of Knowledge a branch bearing three living apples that are thousands of years old Bianca is left in the care of her father s farm staff and the beautiful and madly vain Lucrecia Borgia Cesare s sister But Lucrecia becomes jealous of her lecherous brother s interest in the growing child and plots a dire fate for Bianca in the woods below the farm There Bianca finds herself in the home of seven dwarves the creators of the magic mirror who await the return of their brother the eighth dwarf long gone on a quest of his own In the evocative style of Maguire s earlier novels Mirror Mirror is a fresh compelling take on a beloved classic tale **Wicked Musical Tie-in Edition** Gregory Maguire,2004-03-02 When Dorothy triumphed over the Wicked Witch of the West in L Frank Baum s classic tale we heard only her side of the story But what about her arch nemesis the mysterious Witch Where did she come from How did she become so wicked And what is the true nature of evil Gregory Maguire creates a fantasy world so rich and vivid that we will never look at Oz the same way again Wicked is about a land where animals talk and strive to be treated like first class citizens Munchkinlanders seek the comfort of middle class stability and the Tin Man becomes a victim of domestic violence And then there is the little green skinned girl named Elphaba who will grow up to become the infamous Wicked Witch of the West a smart prickly and misunderstood creature who challenges all our preconceived notions about the nature of good and evil Wicked Gregory Maguire,2024-10 Elphie the spellbinding prequel to Wicked is out now The global bestseller that inspired the hit musical phenomenon Now a major movie and record breaking box office sensation In this classic tale of good and evil what if we weren t told the whole story Long before Dorothy follows the yellow brick road and triumphs over the Wicked Witch of the West a little girl with emerald green skin is born in the land of Oz Elphaba grows up to be smart and prickly a lonely outsider with an extraordinary talent for magic Arriving at university she dares to believe she might finally fit

in But Oz isn't the haven she'd dreamed of Some of its citizens are in grave danger and Elphaba is determined to protect them from the Wizard's power And when the world declares her a wicked witch Elphaba takes matters into her own hands This is the original novel by Gregory Maguire first published in 1995 It is a reimagined prequel to The Wonderful Wizard of Oz and contains adult content Fall under the WICKED spell this year One of my absolute favourite books A completely different take on the classic Kept me on the edge of my seat from the second I picked it up I have a penchant for fairytale retellings that are a bit dark and misunderstood villains and this ticked all my boxes This is a real Oz it makes you believe in it A real joy to sink into a very different world You see the Wicked Witch and Dorothy in a whole new light Funny sad and unputdownable Honestly it's better than The Wizard of Oz Wonderfully written witty and thought provoking A favourite of mine for many many years
