information about individual survival in desert theaters of operation This manual explains some scientific theories on how
plants animals and humans adapt to dry climates It deepens understanding of how individuals may live travel and conduct
themselves with others they may meet in the deserts A survival expert once said The Arabs don t know much about survival
in the desert Of course not They just live there You can live there too if you get rid of fear forget the superstitions and
popular fallacies you learned from desert adventure romances and know a few of the facts of life about deserts Respect the
desert but don t be afraid of it Don t keep water in your canteen and weaken yourself when you can drink that water and
maintain your efficiency Would you be so foolish as to sap your strength by purposely cutting an artery just so you could
practice using a tourniquet Of course not Learn the facts about your body needs of water and practice the horse sense those
facts will give you Separate truth from the old wives tales about the lands of little water If you do that you may get to like the
