Valkenburg, Jessica Taylor Piotrowski, 2017-01-01 Cover Half title Title Copyright Dedication Contents Preface 1 Youth and Media 2 Then and Now 3 Themes and Theoretical Perspectives 4 Infants Toddlers and Preschoolers 5 Children 6 Adolescents 7 Media and Violence 8 Media and Emotions 9 Advertising and Commercialism 10 Media and Sex 11 Media and Education 12 Digital Games 13 Social Media 14 Media and Parenting 15 The End Notes Acknowledgments Index A B C D E F G H I J K L M N O P Q R S T U V W X Y Z **The SAGE International Encyclopedia of Mass Media and Society** Debra L. Merskin, 2019-11-12 The SAGE International Encyclopedia of Mass Media and Society discusses media around the world in their varied forms newspapers magazines radio television film books music websites social media mobile media and describes the role of each in both mirroring and shaping society This encyclopedia provides a thorough overview of media within social and cultural contexts exploring the development of the mediated communication industry mediated communication regulations and societal interactions and effects This reference work will look at issues such as free expression and government regulation of media how people choose what media to watch listen to and read and how the influence of those who control media organizations may be changing as new media empower previously unheard voices The role of media in society will be explored from international multidisciplinary perspectives via approximately 700 articles drawing on research from communication and media studies sociology anthropology social psychology politics and business Communication in Action Jonathan Michael Bowman, 2024-12-18 Through a narrative practical approach enriched with inclusive examples Communication in Action inspires students to think critically about the role of effective communication in driving meaningful change within their own lives and communities Author Jonathan Bowman empowers students to apply fundamental communication principles in daily life fostering self awareness and an understanding of diverse perspectives Each chapter includes activities that motivate students to engage with their online and

in person social networks practicing effective communication for personal and professional growth Bowman also challenges students to confront issues of power privilege and social justice by encouraging them to take impactful actions whether through direct interaction or civic involvement and engagement With engaging discussions of core concepts and contemporary examples this text not only encourages students to explore how effective communication can drive change in their lives but also inspires a new wave of communicators committed to fostering community well being

The Emerald Handbook of Computer-Mediated Communication and Social Media Jeremy Harris Lipschultz, Karen Freberg, Regina Luttrell, 2022-06-27 Uniquely relating social media communication research to its computer mediated communication foundation as well as digital and emerging media trends this handbook is an indispensable resource whether you're a graduate student or a seasoned practitioner

Navigating Social Identity: A Young Adult Story of Time Juliet Dinkha, Aya Abdulhadi, 2023-01-27 This book is focused on youth and young adults We explore aspects of how youth are socialized and how they frame and form their self identity Our book looks at Kuwait a multifaceted society which is often misunderstood by the Western world as mired in a legacy of war hard line Islamic values and oil However Kuwait is a sophisticated cosmopolitan where Islamic values mesh with Western ideals on consumerism dating media consumption and liberal arts education Our book is centered on the youth and young adults in a society who are modernizing Kuwait beyond its concrete and glass skyscrapers and Western luxury brands We explore the numerous aspects of the lives of young adults from media consumption to the effects of gender segregation in university life to altruism to social media habits the effects of Western cultural imperialism on their body image to depression and coping skills and most recently the effects of living with a pandemic

Broadcast Hysteria A. Brad Schwartz, 2025-09-23 On the evening of October 30 1938 radio listeners across the United States heard a startling report of a meteor strike in the New Jersey countryside With sirens blaring in the background announcers in the field described mysterious creatures terrifying war machines and thick clouds of poison gas moving toward New York City As the invading force approached Manhattan some listeners sat transfixed while others ran to alert neighbors or to call the police Some even fled their homes But the hair raising broadcast was not a real news bulletin it was Orson Welles's adaptation of the H G Wells classic *The War of the Worlds* In *Broadcast Hysteria* A Brad Schwartz boldly retells the story of Welles's famed radio play and its impact Did it really spawn a wave of mass hysteria as *The New York Times* reported Schwartz is the first to examine the hundreds of letters sent to Orson Welles himself in the days after the broadcast and his findings challenge the conventional wisdom Few listeners believed an actual attack was under way But even so Schwartz shows that Welles's broadcast became a major scandal prompting a different kind of mass panic as Americans debated the bewitching power of the radio and the country's vulnerability in a time of crisis When the debate was over American broadcasting had changed for good but not for the better As Schwartz tells this story we observe how an atmosphere of natural disaster and impending war permitted broadcasters to create shared live national experiences for the

first time We follow Orson Welles's rise to fame and watch his manic energy and artistic genius at work in the play's hurried yet innovative production And we trace the present day popularity of fake news back to its source in Welles's show and its many imitators Schwartz's original research gifted storytelling and thoughtful analysis make *Broadcast Hysteria* a groundbreaking new look at a crucial but little understood episode in American history

Cross-Cultural Aspects of Tourism and Hospitality Erdogan Koc, 2025-08-29 *Cross Cultural Aspects of Tourism and Hospitality* offers a comprehensive guide to the influence of culture on customers as well as service providers affecting both the demand and the supply sides of the industry services marketing and consumer behaviour management organisational behaviour and human resource management This book takes research based approach critically reviewing the findings of papers on cross cultural aspects of tourism and hospitality and how these influence the attitudes and behaviours of the customer e.g. a tourist or a guest employee and the manager Individual chapters provide a diversified perspective to include intercultural competence and intercultural sensitivity uncertainty avoidance and risk aversion context in communication power distance indulgence and restraint time orientation gender egalitarianism assertiveness individualism and collectivism performance orientation and humane orientation This new edition has been updated to include New content on technological advancements such as the impact of advanced technologies such as AI in general the generative AI and service robots particularly in the context of service encounters and interactions in tourism and hospitality together with cross cultural aspects of sustainable tourism New international case studies throughout to show the application of theory New problem solving tasks chapter takeaways and checkpoints in each chapter to aid understanding This will be essential reading for all students lecturers researchers and practitioners and future managers in the fields of tourism and hospitality

Exploring the Roots of Digital and Media Literacy Through Personal Narrative Renee Hobbs, 2016-06 *Exploring the Roots of Digital and Media Literacy through Personal Narrative* provides a wide ranging look at the origins concepts theories and practices of the field This unique exciting collection of essays by a range of distinguished scholars and practitioners offers insights into the scholars and thinkers who fertilized the minds of those who helped shape the theory and practice of digital and media literacy education Each chapter describes an individual whom the author considers to be a type of grandparent By weaving together two sets of personal stories that of the contributing author and that of the key ideas and life history of the historical figure under their scrutiny major concepts of digital media and learning emerge

Managing Hospitality Experiences Alexandra Kenyon, Peter Robinson, James Musgrave, 2020-06-25 Using examples from the gamut of hospitality this book explores issues around people services and spaces It covers management issues such as marketing human resources operations quality management facilities management project management and strategy while considering hospitality operations within their wider geo social and geo environmental settings This book includes a range of important contemporary topics such as sustainability resilience and ethics supported throughout by learning objectives case studies review questions links to videos and further

reading suggestions **Social impact of media discourse in the age of iDeology. A perspective from the global periphery** Martin A. M. Gansinger, 2019-05-23 In the age of iDeology in which individual access and participation to technology is about to replace the rich texture of religion culture tradition and political convictions the social impact of media discourse only magnifies This volume is an attempt to explore the influence of ever available communication content on the minds and behavior of a population that has made the permanent and often obsessive use of communication technology a defining element of social orientation Unlike the many accounts that focus on the remarkably redefined patterns in the context of Western society ranging from twittering Presidents to the emerging populist movements all over Europe this volume portrays the situation from the frequently neglected perspective of the global periphery As opposed to simply transfer and measure perspectives taken from a Western point of view the clear intention of this volume is to provide ample space for the sincere and explorative consideration of local characteristics and settings of the different social cultural and political contexts and therefore contribute to providing the ground for future research *The SAGE Encyclopedia of Theory in Science, Technology, Engineering, and Mathematics* James Mattingly, 2022-09-21 The SAGE Encyclopedia of Theory is a landmark work that examines theory in general and the broad split between the hard and soft sciences a split that is being re examined as approaches to scientific questions become increasingly multidisciplinary Media, Conflicts and the National Security Question Abiodun Adeniyi, Paul A. Obi, Sani K. Usman, Ibrahim U. Yusuf, 2025-03-15 This book explores how the media and journalism in a cross disciplinary sense has treated conflicts in Nigeria West Africa and the Sahel Contributors connect theoretical foundations with practical experiences in the study of media conflicts and national security seeking to unravel the mediated and communication logic s in news coverage and analyse the media s role in pre conflict in conflict and post conflict discourses The work maps out the impact of mediated narratives on security risk terrorism banditry and general society relying on local on the spot and ontological cultural experiences in Africa especially Nigeria Ghana Sierra Leone and other parts of West Africa **Encyclopedia of Information Science and Technology, Third Edition** Khosrow-Pour, D.B.A., Mehdi, 2014-07-31 This 10 volume compilation of authoritative research based articles contributed by thousands of researchers and experts from all over the world emphasized modern issues and the presentation of potential opportunities prospective solutions and future directions in the field of information science and technology Provided by publisher
