The Bloomsbury Handbook of Sex and Sexuality in Game Studies Matthew Wysocki,Steffi Shook,2025-01-09 The Bloomsbury Handbook of Sex and Sexuality in Game Studies consists of a comprehensive collection of essays that review and supplement current work focusing on sex and sexuality in games The chapters provide insight into sexual content in games representation of various sexualities and player experience Together they contribute to a growing field of work concerning two difficult to define phenomena the borders of sex and sexuality and video games As we frequently see debates and discussions over who gets to love whom and who gets to exist in their true self this handbook plays a part in outlining the parameters of crucial issues within the games that we play

Passion and Play Michelle Clough,2022-04-19 Hoping to add some steam and sex to your next game Then this book is for you This practical guide provides you with the foundational tools needed to write design and create healthy sexual content in video games in ways that are narratively compelling varied and hot Challenging the assumptions that sex in games is superfluous exploitative or only of interest to straight guys this book encourages designers to create meaningful enjoyable sexual content for all audiences Using examples from well known AAA games and some standout indie content each chapter provides a framework to guide game writers designers and developers through the steps of creating and executing sexual content in their games from early concept to setting it up in larger game narrative and finally to executing specific sexual scenes and sequences It also lays out a host of details and considerations that while easily missed or forgotten can have a major impact on the quality or theme of the scene Offering expert insight and ideas for creating sex scenes in games this book is vital reading for game designers writers and narrative designers who are interested in making games with sexual content It will also appeal to artists cutscene directors audio engineers composers and programmers working on these games or really any game developer with an interest in the topic

Digital Love Heidi McDonald,2017-11-02 Scholars and professionals from all over the world across experience levels and the gender and sexuality spectrum share experiences and analysis of romance and sexuality in video games Whether discussing casual sex in the Star Wars universe analyzing various Otome games

examining the gaze in various games player romance behavior in games or exploring the ethical ramifications of sexuality in virtual reality and other emerging technologies this book discusses what players want in video game romance and how developers can best deliver it Key Features Examines the past present and future of romance in single player role playing games Discusses common presentations of romance in single player role playing games both in the category and game mechanics that drive romance Discusses research on how players define a satisfying game romance and what specific steps narrative designers can take to design satisfying games Explains the notion of the empathic game and explores its importance in relation to romance in game design

Queer Game Studies Bonnie Ruberg, Adrienne Shaw, 2017-03-28

Video games have developed into a rich growing field at many top universities but they have rarely been considered from a queer perspective Immersion in new worlds video games seem to offer the perfect opportunity to explore the alterity that queer culture longs for but often sexism and discrimination in gamer culture steal the spotlight Queer Game Studies provides a welcome corrective revealing the capacious albeit underappreciated communities that are making playing and studying queer games These in depth diverse and accessible essays use queerness to challenge the ideas that have dominated gaming discussions Demonstrating the centrality of LGBTQ issues to the gamer world they establish an alternative lens for examining this increasingly important culture Queer Game Studies covers important subjects such as the representation of queer bodies the casual misogyny prevalent in video games the need for greater diversity in gamer culture and reading popular games like Bayonetta Mass Effect and Metal Gear Solid from a queer perspective Perfect for both everyday readers and instructors looking to add diversity to their courses Queer Game Studies is the ideal introduction to the vast and vibrant realm of queer gaming Contributors Leigh Alexander Gregory L Bagnall U of Rhode Island Hanna Brady Mattie Brice Derek Burrill U of California Riverside Edmond Y Chang U of Oregon Naomi M Clark Katherine Cross CUNY Kim d Amazing Royal Melbourne Institute of Technology Aubrey Gabel U of California Berkeley Christopher Goetz U of Iowa Jack Halberstam U of Southern California Todd Harper U of Baltimore Larissa Hjorth Royal Melbourne Institute of Technology Chelsea Howe Jesper Juul Royal Danish Academy of Fine Arts meritt kopas Colleen Macklin Parsons School of Design Amanda Phillips Georgetown U Gabriela T Richard Pennsylvania State U Toni Rocca Sarah Schoemann Georgia Institute of Technology Kathryn Bond Stockton U of Utah Zoya Street U of Lancaster Peter Wonica Robert Yang Parsons School of Design Jordan Youngblood Eastern Connecticut State U
