

Mass Communications Law Casebook

Jo Anne Smith

Third Edition

Mass Communications Law Casebook

**Benjamin M. Compaine, Douglas
Gomery**

Mass Communications Law Casebook:

Mass Communications Law Casebook Jo Anne Smith,1985-12-01 **Mass Communication Law** Donald M. Gillmor,Jerome A. Barron,1979 This text provides a comprehensive survey of media law It is the original modern casebook in mass communication law emphasizing learning of law principles and precedents directly from the writings of courts and administrative agencies **Media Law and Ethics** Roy L. Moore,2020-07-24 This new edition of the casebook includes extensive excerpts from 25 major decisions by the Supreme Court of the United States in media law or related to media law The cases are presented in the order in which they are discussed in the third edition of Media Law and Ethics by Roy L. Moore and Michael D Murray but the casebook is designed to be used as a supplemental text in any media law course Each case includes a brief overview and has been edited to delete detailed citations and highly technical material However every effort has been made to preserve the Court s original language including its recitation of the facts its reasoning and the holding in the case Most of the cases also include excerpts from the Court s syllabus a summary prepared by the Court s Reporter of Decisions A few of the cases include excerpts from concurring and or dissenting opinions where those opinions illustrate the complexity of the case or were influential in later decisions **Mass Communication Law and Ethics** Roy L. Moore,1999 First published in 1999 Mass Media James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes Law of Mass Communications Dwight L. Teeter,Bill Loving,2011 The Thirteenth Edition includes substantial material involving new media as technological changes affect traditional patterns of both communication and governance Key principles remain but are under stress as both media and interpersonal communication systems evolve At the same time this textbook continues to draw on the history of mass communication reviewing both historical and constitutional foundations for freedom of expression Reputation and privacy are dealt with in greater detail as the Internet and social media erode the traditional boundaries separating personal from public information Because media are intertwined with democracy the book discusses citizens rights of access to government information and processes **The Law of Public Communication** William E. Lee,Daxton R. Stewart,Jonathan Peters,2022-08-01 The twelfth edition of this classic textbook provides an overview of communication and media law including the most current legal developments It explains laws affecting the daily work of writers broadcasters public relations practitioners photographers bloggers and other public communicators By providing statutes and cases in an accessible manner even to students studying law for the first time the authors ensure that students acquire a firm grasp of the legal issues affecting the media The book examines

legal topics such as libel privacy intellectual property obscenity and access to information considering the development and current standing of relevant laws and important cases It examines how these laws affect public political and commercial communication The twelfth edition discusses hot topics such as proposals to modify Section 230 of the Communications Decency Act net neutrality legislation participant monitoring the actual malice standard for litigation against journalists and the Julian Assange Espionage Act prosecution It also explores social media issues such as whether social media use by public officials constitutes a public forum liability for defamation and the operation of Facebook's Oversight Board The Law of Public Communication is an ideal core textbook for undergraduate and graduate courses in communication law and mass media law Online resources include a test bank and PowerPoint slides **Social Media and the Law** ,2013-01-03 Social media platforms like Facebook Twitter Pinterest YouTube and Flickr allow users to connect with one another and share information with the click of a mouse or a tap on a touchscreen and have become vital tools for professionals in the news and strategic communication fields But as rapidly as these services have grown in popularity their legal ramifications aren't widely understood To what extent do communicators put themselves at risk for defamation and privacy lawsuits when they use these tools and what rights do communicators have when other users talk about them on social networks How can an entity maintain control of intellectual property issues such as posting copyrighted videos and photographs consistent with the developing law in this area How and when can journalists and publicists use these tools to do their jobs without endangering their employers or clients In *Social Media and the Law* eleven media law scholars address these questions and more including current issues like copyright online impersonation anonymity cyberbullying sexting and WikiLeaks Students and professional communicators alike need to be aware of laws relating to defamation privacy intellectual property and government regulation and this guidebook is here to help them navigate the tricky legal terrain of social media *Law of Mass Communications* Dwight L. Teeter,Don R. Le Duc,1995 **Cases in Communications Law** John D. Zelezny,1993 This text is truly oriented to the modern mass communications student with substantial material applicable to public relations advertising and broadcasting as well as journalism The book tries to strike a middle ground between the very light descriptive approaches and the very detailed case oriented legal texts also striking a middle ground between legal principles and survival information for the media professional Mass Communications Research Resources Christopher H. Sterling,James K. Bracken,Susan B. Hill,2016-05-06 This reference book is designed as a road map for researchers who need to find specific information about American mass communication as expeditiously as possible Taking a topical approach it integrates publications and organizations into subject focused chapters for easy user reference The editors define mass communication to include print journalism and electronic media and the processes by which they communicate messages to their audiences Included are newspaper magazine radio television cable and newer electronic media industries Within that definition this volume offers an indexed inventory of more than 1 400 resources on most aspects of American mass

communication history technology economics content audience research policy and regulation The material featured represents the carefully considered judgment of three experts two of them librarians plus four contributors from different industry venues The primary focus is on the domestic American print and electronic media industries Although there is no claim to a complete census of all materials on print journalism and electronic media what is available is now too vast for any single guide the most important and useful items are here The emphasis is on material published since 1980 though useful older resources are included as well Each chapter is designed to stand alone providing the most important and useful resources of a primary nature organizations and documents as well as secondary books and reports In addition online resources and internet citations are included where possible

Mass Media Law Clay Calvert, Don R Pember, 2014-03-10 In its 19th edition *Mass Media Law* offers an updated look at the ever changing landscape of media law It continues to provide undergraduates with the foundation they need to understand the field going back to the adoption of the First Amendment and quickly brings them up to speed with the most current issues In their popular conversational style Don Pember and Clay Calvert introduce students to the newest threats to journalism and the role technology plays in the field of mass media law The attention this program provides to both historical and contemporary issues gives students the background they need to fully understand the controversies surrounding speech and press across media Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access McGraw Hill Connect is a subscription based learning service accessible online through your personal computer or tablet Choose this option if your instructor will require Connect to be used in the course Your subscription to Connect includes the following SmartBook an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content Access to your instructor's homework assignments quizzes syllabus notes reminders and other important files for the course Progress dashboards that quickly show how you are performing on your assignments and tips for improvement The option to purchase for a small fee a print version of the book This binder ready loose leaf version includes free shipping Complete system requirements to use Connect can be found here <http://www.mheducation.com/highered/platforms/connect/training/support/students.html>

The SAGE Guide to Key Issues in Mass Media Ethics and Law William A. Babcock, William H. Freivogel, 2015-03-23 *The SAGE Guide to Key Issues in Mass Media Ethics and Law* is an authoritative and rigorous two volume issues based reference set that surveys varied views on many of the most contentious issues involving mass media ethics and the law Divided into six thematic sections covering information from contrasting ethical responsibly and legal rights for both speech and press newsgathering and access and privacy to libelous reporting business considerations and changing rules with social media and the Internet the information in this guide is extremely relevant to a variety of audiences This guide specifically focuses on matters that are likely to be regular front page headlines concerning topics such as technological threats to privacy sensationalism in media coverage of

high profile trials cameras in the courtroom use of confidential sources national security concerns and the press digital duplication and deception rights of celebrities plagiarism and more Collectively this guide assesses key contentious issues and legal precedents noting current ethical and legal trends and likely future directions Features Six thematic sections consist of approximately a dozen chapters each written by eminent scholars and practitioners active in the field Sections open with a general Introduction by the volume editors and conclude with a wrap up Outlook section to highlight likely future trends Chapters follow a common organizational outline of a brief overview of the issue at hand historical background and precedent and presentation of various perspectives pro con mixed to the issue See also cross references guide readers to related chapters and references and further readings guide users to more in depth resources for follow up This reference guide is an excellent source for the general public students and researchers who are interested in expanding their knowledge in mass media and the ethics and law surrounding it

Media Law and Ethics Roy L. Moore, Michael D. Murray, Michael Farrell, Kyu Ho Youm, 2017-11-08 *Media Law and Ethics* is a comprehensive overview and a thoughtful introduction to media law principles and cases as well as related ethical concerns relevant to the practice of professional communication This is the first textbook to explicitly integrate both media law and ethics within one volume Since it integrates both current law and ethical queries it is ideal for both undergraduate and graduate courses in media law and ethics Co author Kyu Ho Youm expands this edition's international scope updating and broadening his chapter on international and foreign law The book also covers the most timely and controversial issues in modern American media The new fifth edition has been updated with current events and discusses the potential impact they have

Electronic Media Law Roger L. Sadler, 2005-03-10 Even though the First Amendment of the U S Constitution grants freedom of speech and freedom of the press laws and regulations governing media frequently evolve as the media themselves do As a result it is often a challenge to keep pace with new laws and regulations *Electronic Media Law* is a comprehensive up to date textbook on the constantly changing and often complex world of electronic media law Author Roger L Sadler examines the laws regulations and court rulings affecting broadcasting cable satellite and cyberspace The book also looks at cases from the print media and general First Amendment law because they often contain important concepts that are relevant to the electronic media *Electronic Media Law* is written for mass media students not for future lawyers so the text is straightforward and explains legalese The author covers First Amendment law political broadcasting rules broadcast content regulations FCC rules for station operations cable regulation media ownership rules media liability lawsuits intrusive newsgathering methods media restrictions during wartime libel privacy copyright advertising law freedom of information cameras in the court and privilege Key Features Provides an easy to use format of chapter categories and sections that facilitate research on individual topics Frequently Asked Questions highlight important points from cases Explains complex legal concepts in basic terms that give students the foundation for further studies in electronic media law *Electronic Media Law* provides an understanding of the First Amendment and the

American legal system with an emphasis on the electronic media It is an excellent textbook for undergraduate and graduate students studying broadcast law and media law Teaching Mass Communication Michael D. Murray,Anthony J.

Ferri,1992-02-24 This unique volume brings together original essays by well known mass communication experts master teachers who provide practical information on teaching the communication and journalism courses in which they specialize The authors make recommendations for practical applied theoretical and advanced courses representing every area of the mass communications curriculum Its contributors include eminent specialists such as Maurine H Beasley who offers advice to teachers of media history Dan Nimmo political communication Roy L Moore media law Jay Black media ethics and John De Mott media management Chapter authors suggest course outlines teaching strategies and methods of testing and provide reviews of current texts and supplementary materials such as films and other audio visual aids Chapter topics in part I The Introductory Course include The Beginning Course in Mass Communication and introductory courses to broadcasting public relations the film course and internship programs Part II Applied Coursework includes chapters on writing news for print and broadcast reporting advertising campaigns audio and video production and teaching research methods Part III which deals with advanced coursework includes chapters on courses in mass communication law mass media management and history mass media and politics media criticism and media ethics Teaching Mass Communication will prove vitally important to faculty with new preparations for mass communication courses including senior faculty keeping up with changes media professionals and new faculty preparing their teaching assignments *Communication, Digital Media, and Popular Culture*

in Korea Dal Yong Jin,Nojin Kwak,2018-05-16 In recent decades Korean communication and media have substantially grown to become some of the most significant segments of Korean society Since the early 1990s Korea has experienced several distinctive changes in its politics economy and technology which are directly related to the development of local media and culture Korea has greatly developed several cutting edge technologies such as smartphones video games and mobile instant messengers to become the most networked society throughout the world As the Korean Wave exemplifies the once small and peripheral Korea has also created several unique local popular cultures including television programs movies and popular music known as K pop and these products have penetrated many parts of the world As Korean media and popular culture have rapidly grown the number of media scholars and topics covering these areas in academic discourses has increased These scholars interests have expanded from traditional media such as Korean journalism and cinema to several new cutting edge areas like digital technologies health communication and LGBT related issues In celebrating the Korean American Communication Association s fortieth anniversary in 2018 this book documents and historicizes the growth of growing scholarship in the realm of Korean media and communication **Race, Africana Communication, and Criminal Justice**

Reform Detra D. Johnson,Jeremy Harris Lipschultz,Marilyn D. Lovett,2024-04-30 Race Africana Communication and Criminal Justice Reform A Reflexive and Intersectional Analysis of Adaptive Vitality discusses issues and themes surrounding

communication social media online protests policing criminal justice reform and freedom of speech Honoring the legacy of Dr James Conyers this volume offers analyses grounded in Africana praxis and communication principles that embrace social justice and challenge systems based on race arguing for the importance of establishing networks of communication that benefit all people Collectively these interdisciplinary chapters extend the research on race at the intersections of social media and social justice Scholars of Africana studies communication criminal justice education and sociology will find this work particularly useful

Who Owns the Media? Benjamin M. Compaine, Douglas Gomery, 2000-07-13 This thorough update to Benjamin Compaine's original 1979 benchmark and 1982 revisit of media ownership tackles the question of media ownership providing a detailed examination of the current state of the media industry Retaining the wealth of data of the earlier volumes Compaine and his co author Douglas Gomery chronicle the myriad changes in the media industry and the factors contributing to these changes They also examine how the media industry is being reshaped by technological forces in all segments as well as by social and cultural reactions to these forces This third edition of Who Owns the Media has been reorganized and expanded reflecting the evolution of the media industry structure Looking beyond conventional wisdom and expectations Compaine and Gomery examine the characteristics of competition in the media marketplace present alternative positions on the meanings of concentration and ultimately urge readers to draw their own conclusions on an issue that is neither black nor white Appropriate for media practitioners and sociologists historians and economists studying mass media this volume can also be used for advanced courses in broadcasting journalism mass communication telecommunications and media education As a new benchmark for the current state of media ownership it is invaluable to anyone needing to understand who controls the media and thus the information and entertainment messages received by media consumers

Media Transformations in the Post-Communist World Peter Gross, Karol Jakubowicz, 2012-10-18 Media Transformations in the Post Communist World Eastern Europe's Tortured Path to Change edited by Peter Gross and Karol Jakubowicz is a collection of analyses of Eastern European media by some of the most distinguished scholars in the field This in depth exploration shows how despite positive changes after the fall of Communism the transformations of societal institutions including the mass media have turned out to be slow uncertain and unsatisfying to many when measured against the admittedly ambiguous and overly Panglossian expectations This collection offers readers a different view of post Communist media by examining the mass media's evolution in the region from a more holistic perspective The contributors to this volume respond to essential questions including Is the post Communist transition and transformation over When can it be considered over Each chapter contributes to our understanding of these questions by offering theoretical overviews and country specific studies This collection serves as an affirmation that the study of mass media is essential to understanding the nature and workings of democracy in the long suffering nations of Central and Eastern Europe with international applications Media Transformations in the Post Communist World is an indispensable contribution to the study of Eastern

Europe after Communism and the transformations of mass media in the region

Mass Communications Law Casebook Book Review: Unveiling the Magic of Language

Mass Communications Law Casebook Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mass Communications Law Casebook has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mass Communications Law Casebook has opened up a world of possibilities. Downloading Mass Communications Law Casebook provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mass Communications Law Casebook has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mass Communications Law Casebook. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mass Communications Law Casebook. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mass Communications Law Casebook, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Mass Communications Law Casebook has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mass Communications Law Casebook Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mass Communications Law Casebook is one of the best book in our library for free trial. We provide copy of Mass Communications Law Casebook in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mass Communications Law Casebook. Where to download Mass Communications Law Casebook online for free? Are you looking for Mass Communications Law Casebook PDF? This is definitely going to save you time and cash in something you should think about.
