Adventures in Living Consciously Deborah Alyne Christy, Learning how to live in the present with purpose and self awareness while navigating life's mine fields Adventures of Men of Maryknoll Albert J. Nevins, 1957 **Measures of Passion** Elaine Doll, 2014-01-30 Kristina Soderlund is the daughter of an Oklahoma cotton farmer with a passion for music. Although her parents have mapped out a traditional life for her she has bigger dreams dreams of music art and beauty of a university education and of leaving the farm far behind to open a music studio in Oklahoma City. But for a single woman in 1905 those dreams are unlikely to come true. Even so she is determined that nothing will get in her way. But when she befriends Pilan Rousseau a handsome French Indian traveler her resolve weakens. Despite the warnings of her parents and friends Kristina soon loses her heart to the charming stranger. But fate is not on her side. Pilan has no plans of staying in Oklahoma City. He's simply passing through on his own journey across America. An accomplished violinist with an intense passion for dance he dreams of returning to Paris to open his own ballroom dance studio. Kristina's life has never been easy but now she faces more challenges than ever. Her hopes of love with Pilan are crushed when he leaves town. Heartbroken she leaves Oklahoma and all of its pain behind her and heads to Boston. Against seemingly impossible circumstances both Kristina and Pilan discover that their passions for music and dance are too great to ignore. But fate has torn them apart. Waymaking Helen Mort, Claire Carter, Heather Dawe, Camilla Barnard, 2018-10-04 Waymaking is an anthology of prose poetry and artwork by women who are inspired by wild places adventure and landscape. Published in 1961 Gwen Moffat's *Space Below My Feet* tells the story of a woman who shirked the conventions of society and chose to live a life in the mountains. Some years later in 1977 Nan Shepherd published *The Living Mountain* her prose bringing each contour of the

Cairngorm mountains to life These pioneering women set a precedent for a way of writing about wilderness that isn't about conquering landscapes reaching higher harder or faster but instead about living and breathing alongside them becoming part of a larger adventure The artists in this inspired collection continue Gwen and Nan's legacies redressing the balance of gender in outdoor adventure literature Their creativity urges us to stop and engage our senses the smell of rain soaked heather wind resonating through a cold the touch of cool rock against skin and most importantly a taste of restoring mind body and spirit to a former equanimity With contributions from adventurers including Alpinist magazine editor Katie Ives multi award winning author Bernadette McDonald adventurers Sarah Outen and Anna McNuff renowned filmmaker Jen Randall and many more Waymaking is an inspiring and pivotal work published in an era when wilderness conservation and gender equality are at the fore
