The Cheese Plate
Max McCalman, David Gibbons, 2002 If you've ever had genuine farmhouse Cheddar from England or real Alsatian Munster or aged Parmigiano Reggiano you know that fine hand crafted cheeses have absolutely nothing to do with the bland shrink wrapped food colored offerings that evoke school cafeterias Artisanal cheeses from luscious triple crèmes to the boss blues are complex and richly rewarding very similar to fine wines And these cheeses get even more rewarding if you know something about their subtleties their attributes and how to get the most out of them like which wines go with which cheeses and why or how a multiple cheese tasting should progress or what an appropriate portion size is or which accompaniments work best or why the Loire chèvres peak in autumn Max McCalman is one of the world's foremost experts on these matters As the maître fromager or cheese master at the acclaimed restaurants Picholine and Artisanal in New York City he spends his entire day every day dealing with cheese ordering it tasting it studying it serving it And The Cheese Plate is the culmination of his years of passion and study for this subject the definitive work on how to enjoy the world's greatest cheeses and what those cheeses are at home The Cheese Plate begins with the fundamentals history what exactly cheese is and how it's made Then Max moves onto the subject that has made him a star in the culinary world the art of cheese tasting To begin with it's important to know how to buy store and serve cheeses and then how to taste them again as with wines the best results come with a little finesse Then you'll want to pair cheeses with other foods and beverages especially wines to bring out the best of both And with all this expertise in hand you'll want to construct cheese plates from a quick lunch assortment to a full after dinner tasting extravaganza Finally you'll appreciate a rundown of the best cheeses in the world where they're from what they look and taste like their perfect wine accompaniments so that you can become a maître fromager in your own right
