

# THESIS STATEMENT

A thesis statement clearly articulates the main point or argument of an essay, dissertation, or research paper.

## DEFINITION

- **Position:** A thesis statement takes a clear stance on a topic, presenting an argument about it.
- **Placement:** Generally, the thesis statement is placed at the end of the introduction of an essay.
- **Evidence-based:** The thesis statement doesn't include evidence, but it needs to be supported by evidence in the essay.

## EXAMPLES

- **School Uniforms Bad:** "School uniforms should be banned in all schools because they restrict individuality and free expression."
- **School Uniforms Good:** "School uniforms are good because they teach young people the importance of following rules and dressing appropriately."

The Omega Factor Steve Berry, 2022-06-07 Dan Brown fans will want to check this one out Publishers Weekly The Ghent Altarpiece is the most violated work of art in the world Thirteen times it has been vandalized dismantled or stolen Why What secrets does it hold Enter UNESCO investigator Nicholas Lee who works for the United Nations Cultural Liaison and Investigative Office CLIO Nick's job is to protect the world's cultural artifacts anything and everything from countless lesser known objects to national treasures When Nick travels to Belgium for a visit with a woman from his past he unwittingly stumbles on the trail of a legendary panel from the Ghent Altarpiece stolen in 1934 under cover of night and never seen since Soon Nick is plunged into a bitter conflict one that has been simmering for nearly two thousand years On one side is the Maidens of Saint Michael les Vautours the Vultures a secret order of nuns and the guardians of a great truth Pitted against them is the Vatican which has wanted for centuries to both find and possess what the nuns guard Because of Nick the maidens have finally been exposed their secret placed in dire jeopardy a vulnerability that the Vatican swiftly moves to exploit utilizing an ambitious cardinal and a corrupt archbishop both with agendas of their own From the tranquil canals of Ghent to the towering bastions of Carcassonne and finally into an ancient abbey high in the French Pyrenees Nick Lee must confront a modern day religious crusade intent on eliminating a shocking truth from humanity's past Success or failure life and death all turn on the Omega Factor *Uinta National Forest: Final environmental impact statement for the 2003 land and resource management plan*, 2003

**America's War Machine** James McCartney, Molly Sinclair McCartney, 2015-10-27 A veteran Washington reporter reveals how years of military slanted domestic and foreign policy have turned the U S into a perpetual war machine When President Dwight D Eisenhower prepared to leave the White House in 1961 he did so with an ominous message for the American people about the disastrous rise of the military industrial complex Fifty years later the complex has morphed into a virtually unstoppable war machine one that dictates U S economic and foreign policy in a direct and substantial way Based on his experiences as an award winning Washington based reporter covering national security James McCartney presents a compelling history from the Cold War to present day that shows that the problem is far worse and far more wide reaching than anything Eisenhower could have imagined Big Military has become too big to fail and has grown to envelope the nation's political cultural and intellectual institutions These centers of power and influence including the now complicit White House and Congress have a vested interest in preparing and waging unnecessary wars The authors persuasively argue that not one foreign intervention in the past 50 years has made us or the world safer With additions by Molly Sinclair McCartney a fellow journalist with 30 years of experience America's War Machine provides the context for today's national security state and explains what can be done about it *Gunnison Resource Area Resource(s) Management Plan (RMP)*, 1992

**Alternative Models of Sports Development in America** B. David Ridpath,2018-01-16 In the United States the entanglement of sports and education has persisted for over a century Multimillion dollar high school football stadiums college coaches whose salaries are many times those of their institutions presidents psychological and educational tolls on student athletes and high profile academic scandals are just symptoms of a system that has come under increasing fire Institutions large and small face persistent quandaries which do they value more academic integrity or athletic success Which takes precedence prioritizing elite teams and athletes or making it possible for all students to participate in sports How do we create opportunities for academic not just athletic development for players In **Alternative Models of Sports Development in America** B David Ridpath a leading sports development researcher who has studied both the US system and the European club model offers clear steps toward creating a new status quo He lays out four possible alternative models that draw various elements from academic athletic and European approaches His proposals will help increase access of all young people to the benefits of sports and exercise allow athletes to also thrive as students and improve competitiveness The result is a book that will resonate with sports development professionals academic administrators and parents     **Chinese Peace in Africa** Steven C.Y. Kuo,2019-08-02 China s emergence in Africa is the most significant development for the continent since at least the end of the Cold War Of the permanent members of the UN Security Council China is also the largest contributor in terms of troop numbers to United Nations Peacekeeping Operations UNPKO While China s potential to be a force for change in Africa is undeniable there are wildly varied and sometimes unrealistic expectations in both the West and Africa of China s role in Africa A more detailed and nuanced understanding of Chinese motivations in its African engagement is necessary in order to work effectively with China for African peace security and development With Liberia Darfur and South Sudan as case studies Kuo comprehensively examines the Chinese peace and places it within the context of the liberal peace debate He does so using primary sources translated from the original Chinese as well as interviews conducted in Mandarin with Chinese policymakers academics diplomats as well as Chinese company managers and businessmen working in Liberia and South Sudan He also traces and analyses the Chinese discourse of peace from traditional Chinese political philosophy through Mao Zedong and Deng Xiaoping to post reform and the Xi Jinping era

**Resources in Education** ,1994 *Healing Affluenza and Resisting Plutocracy* Ched Myers,2025-01-21 Myers brings a well honed interpretive eye to a thematic study of Luke s Gospel He reads synoptically the crisis of socioeconomic disparity in Jesus s world and ours and proposes powerful analogies that can build social imagination and animate personal and political practices for systemic change and justice among communities of faith today There has been a revival of interest over the last half century in the Third Gospel s focus on issues of poverty and wealth However most exegetical or homiletic work by scholars and preachers of the Global North has been constrained by middle class social assumptions which inevitably domesticate Jesus s radical teaching and practice To counter this Myers argues that Luke s literary arc and individual representations are best interpreted through the lens of Sabbath Economics in the Hebrew Bible He then brings socio literary analysis and engaged commentary to bear on Luke s wise old stories correlating his narrative structures and symbols to systemic political and economic issues then and now Luke s unique material and how he redacts Mark and Q reveals his unequivocal critique of socioeconomic disparity Myers closely examines footprints and demonstration projects of Sabbath Economics in the first half of Luke then considers archetypal characters somatic representations and socially contrasting scenarios of rich and poor in the second half His approach deploys sociological exegesis literary analysis and liberation hermeneutics to recover Luke s story of Jesus in its historical context and its relevance to ours A small town prophet struggles against an imperial political economic system that is bringing the extractive exploitive rule of Mammon to occupied Palestine and shows and tells how regular people can resist the rule of the one percent by embracing the Great Economy Myers includes suggestions for preaching Luke in Year C and offers resources on economic equity organizing for our own Gilded Age
