Paul M. Edwards,2016-04-11 One of the central events of modern history World War I has been poorly presented in English language films Torn between the powerful isolationist movement in the U S and a growing hatred of the Hun contemporary films were mainly propaganda calling citizens to arms The American film industry used the outbreak of the war and the government s interest in promoting patriotic sacrifice as a means to expand and take the lead in the film industry worldwide More a business model than an art form these early efforts claimed a place of respectability for film among the arts Twenty years later though films produced about the war were few they were technically superior and generally carried conflicting messages about the war s mission and value while focusing more on storyline than history This study of English Language World War I films examines nearly 350 films from 1914 to 2014 Descriptions and critiques of each of the films are included with stories and details about the actors and directors **Weekly Florists' Review** Gilbert Leonard Grant,1927 **A**

Elyse M. Fitzpatrick,Eric Schumacher,2022-04-06 Loving one another as sisters and brothers in Jesus Many Christian women and men carry heavy burdens Much teaching on gender relations roles and rules binds the conscience beyond what Scripture actually teaches Gender has become a battleground for power But God created men and women not to compete for glory but to cooperate for his glory In *Jesus and Gender* Elyse Fitzpatrick and Eric Schumacher paint a new vision for gender Christ s gentle and lowly heart The centrality of the gospel has been lost in gender debates Our ultimate example is Jesus our humble king who used his power to serve others So we must rethink our identities roles and relationships around him Christ

transformed enemies into family Men and women are allies in God s mission Drawing from Scripture and experience Fitzpatrick and Schumacher show how Jesus s example speaks to all areas of our lives as men and women including vocation marriage parenting friendships and relating to each other as sisters and brothers in Christ Real life testimonies from a variety of Christians including Christine Caine Justin Holcomb Karen Swallow Prior and others show a variety of men and women freed to pursue their gifts for God s glory Fitzpatrick and Schumacher s perspective untangles what God has said about gender from what he hasn t By coming to Jesus women and men can find rest
