real examples from the GMAT This is where the Ultimate Guide to GMAT Verbal Grammar Sentence Correction comes in Some of the unique features of this book are It gives you a concise background of the English Language without going into details that you do not require for the GMAT Sentence Correction section It explains with multiple examples the essential concepts and structures of GMAT Grammar It takes you through the common concepts tested on the GMAT Sentence Correction section and provides detailed background so that these concepts are easier to absorb Provides a comprehensive list of GMAT Idioms Over 200 Idioms tested in the GMAT Over 150 unique Sentence Correction Questions with explanatory answers Why Should you Buy this Guide If you struggle with the answer choices in the GMAT Sentence correction section even after going through the standard books If you have tried to go through standard Grammar books and given up or if you simply need a good grasp of the English Grammar relevant for Sentence Correction then this is what you need One of the most important parameter that the admissions committee looks for especially in case of Non Native speakers is their English score Your Verbal score doesn t have to be in the nineties but the closer the better It has to be high enough to convince them that you deserve that offer letter This guide has been especially written from real life experience teaching the nuances of Sentence correction to hundreds of students It includes Key grammar concepts necessary to crack the Sentence Correction section and scores of examples to illustrate these concepts
