Browne,2010-11-29 This enlightening work by renowned psychic Sylvia Browne contains the Gnostic tenets of her church the Society of Novus Spiritus and is a map of our charts regardless of what spiritual path we follow It has taken many years of research to put together these seemingly simple tenets but as we go deeper we can see that this book carries within it the very heart of humankind's search for our own spirituality Sylvia has also included many details from her own personal journey which she feels is comparable to the quest that each of us follows to find our own God center As we travel on this road we can realize that long forgotten yet inherent goal of viewing our life on Earth as our path to God This is a valuable book that provides long awaited answers to some of humankind's most persistent questions done in the way only Sylvia can
