God Uses Deeply Wounded People Healing From Abuse And Other Life Difficulties:

Deeply Wounded Hope Heather V Shore, 2017-08-15 Heather's story encompasses surviving and overcoming domestic violence and other life hardships. This journey entails healing from these situations and learning to live abundantly.

Healing the Wounds of Rejection Joyce Meyer, Ginger Stache, 2025-09-09 An intimate, vulnerable, and compassionate conversation about the pain of rejection, filled with practical biblical guidance to heal and move on, with personal stories from beloved Bible teacher Joyce Meyer, Ginger Stache, and other women who have risen from the ashes of loss. In this era of epidemic loneliness, widely beloved Bible teacher Joyce Meyer and her partner in ministry, Ginger Stache, offer a vulnerable, intimate, and compassionate conversation about the shame and the pain of rejection and the pathway to healing. We live in a time of overwhelming loneliness and disconnection. At least one in four Americans today are living in estrangement from a family member, and over 50% of us experience periods of disconnection from close relatives. No matter who we are, the sting of rejection touches us. As a child, you may have experienced bullying or even a parent or sibling who failed to acknowledge your value and love you as you needed to be loved. As we grow older, the rejections we experience pile upon one another: a boss who offers constant criticism, a spouse who walks away and leaves us devastated, a friend who ditches us when life gets tough. Rejection is a common denominator of the human experience, and many of us develop into people who view the world through the lens of rejection, as our pain causes us to burrow further into isolation, disappointment, and sadness. Here, through Joyce's personal story of abuse and abandonment and Ginger's journey of shock and betrayal in marriage, you will find community in the fact that you are not alone, as well as hope for the dawning of new possibilities. In this book, Joyce Meyer and Ginger Stache are determined to banish the stigma of rejection by leading readers to the healing balm of God's unconditional love. Through facing our pain head-on, learning to embrace the truth of our absolute acceptance in Christ, and understanding how others may react to us and to the world out of their own lens of rejection, we can grow in confidence, develop healthy relationships, and find lasting acceptance. This book also contains study questions with each chapter, perfect for group study or individual reflection. O Man, Where Art Thou? (Genesis 3:9) Rev. Kingsley C. Ogbuji SSJ,2025-09-24 Many years ago I worked as a mental health counselor and a priest in Orleans Parish Jail In my experience with jail ministry as a priest and counselor I witnessed firsthand the near total destruction of men particularly black men Over 90 percent of the black men I encountered struggled with mental health and substance use issues Many felt hopeless and helpless One day as I was reading the book of Genesis and reflecting on my experiences I came across Genesis 3:9 where God asked a profound question Adam where art thou This simple yet profound question prompted deep thoughts and reflection Through divine inspiration God revealed to me that the Black man is the most endangered species on earth Drugs and alcohol are not the problem of the Black man but a poisoned mind that has kept him down for generations The Black man has incredible potential but the enemy has vowed to keep him a perpetual enslaved person however he can be restored God revealed to me some secrets in the book of Genesis that can help the Black man flourish again Although this reflection is written for black men dealing with mental health and substance use issues it may also be helpful for anyone in need of divine healing and restoration

Toxic Faith Stephen Arterburn, Jack Felton, 2011-04-13 Experiencing Healing from Painful Spiritual Abuse When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict Toxic Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair Toxic Faith shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing **Sacred Stress**

LaPine, 2020-11-04 Do not be anxious about anything When it comes to stress and worry that's all we really need to say right Just repent of your anxiety and everything will be fine But emotional life is more complex than this In The Logic of the Body Matthew LaPine argues that Protestants must retrieve theological psychology in order to properly

understand the emotional life of the human person With classical and modern resources in tow LaPine argues that one must not choose between viewing emotions exclusively as either cognitive and volitional on the one hand or simply a feeling of bodily change on the other The two stories can be reconciled through a robustly theological analysis In a culture filled with worry and anxiety The Logic of the Body offers a fresh path within the Reformed tradition
