God Without Religion:

God without Religion Andrew Farley, 2011-06-01 Andrew Farley's experience as a Christian was first characterized by self effort as he tried to please God at any cost His ruthless religion resulted in spiritual burnout and disillusionment with church Only then did he discover what relaxing in Jesus means and how enjoying God's intimate presence can transform everyday life Using a unique story driven format *God without Religion* dismantles common religious misconceptions revealing the true meaning of being filled with the Spirit the facts about judgment rewards and God's discipline the simple truth behind predestination and the divisions it causes the problem with the popular challenge to live radical Pulling no punches Farley shows how the truth about these controversial issues can liberate and unify believers as we discover how to rest in the unconditional love of God

God Without Religion Michael Arnheim, 2016-06-29 Which is right atheism or organised religion Answer Neither What's wrong with atheism The intolerant radical New Atheists of today champion the theory of evolution by natural selection which may help to explain small changes and variations in living things but can't explain the origin of the universe or the origin of life because natural selection needs life to kick start it into action No life no natural selection Does organised religion do any better Not at all It simply has too much baggage Why does evil exist in the world And why are the good not rewarded and the wicked punished Organised religion has no answer except to kick these problems upstairs into the afterlife of which there is no evidence whatsoever What then of the claims of religious truth Most of the claims made for Jesus are demonstrably false Creed religions like Christianity and Islam believe that they alone hold the key to truth and salvation But communal religions like Hinduism Japanese Shinto and the religions of the ancient world tend to be more tolerant Orthodox Judaism starting out as a communal religion has now adopted certain

features of a creed religion and become more intolerant But more tolerant than either radical atheism or any organised religion is deism Unlike conventional religions which are based on belief in a personal god deism believes in an impersonal God who does not get involved in the day to day affairs of the world Back cover
