God Still Speaks To Me:

God Still Speaks Deborah Roeger, 2022-01-31 Can I hear God's voice How can I be sure I am hearing correctly if I do What does the Bible say about this In this thoroughly Scripture based guide Bible teacher Debbie Roeger says we can Building on a biblical foundation she provides clear testimonies from people of various walks of life not only hearing God speak but putting what God says into action in more effective discipleship *God Still Speaks* joins God's growing arsenal of resources about hearing His voice A feature that distinguishes this book from others previously published is the more than 80 personal testimonies from family and friends describing their experiences of hearing God Those testimonies make this book a valuable resource for everyone without regard to the level of experience they have hearing God's voice The book's centerpiece is an extended discussion differentiating God's voice and the voice of the accuser Because hearing and obeying God is how we come to know Him proficiency is key to effective discipleship as Christ followers This book is suitable for individual reading but will find its most powerful role as a study for small groups or for church wide use **God Still Speaks** Monica M. Tomtania, *God still speaks* is about wondered whether God speaks to men audibly today or not Ever wondered whether God is still with you or has abandoned you [Our God Still Speaks](#) , [God Still Speaks](#) John Eckhardt, 2011-12-05 Known for his authoritative dynamic style John Eckhardt combines instructive narrative teaching about the role and power of the prophetic in the lives of believers today with succinct powerful truths that will impact readers lives The author incorporates stories of his own and others experiences into the book He builds on the foundation of the Word of God and encourages readers to operate and function within the scope of God's plan for using the powerful gift of prophetic to build strong believers **God Still Speaks Through Your Dreams** Greg Cynaumon, 2008-07-13 If you're open to hearing God even when you're sleeping your dreams can be a rich source of revelation and insight One man's dream saves his family from what could have been a deadly fire A fifty two year old woman finally understands a dream she's been having since she was thirteen A policeman's dream warns a friend of a dangerous encounter with a suspect Church elders have the same dream about a change in the church's leadership A strange and frightening dream warns a mother of a potentially dangerous relationship in her son's life A dream confirms an East Indian man's decision to become a Christian As you read the details of these and other dreams that Dr Greg Cynaumon describes you will find that they and the circumstances that surrounded them were more than coincidental You will be convinced that God who is concerned and involved in the lives of individuals has something to say through dreams And you won't want to miss His messages Dr Cynaumon examines dreams from a perspective that is both scientific and biblical He explores dream interpretation explains some common dream symbols and answers questions about dreams and their occurrences in Scripture He also corrects several popular myths about dreams If you desire to unravel one of life's great mysteries but are wary of secular approaches to this subject then you'll want to explore with Dr Cynaumon how God still speaks through dreams **How to Listen to God** Charles F. Stanley, 2002-09-01

Every day we hear dozens of outside opinions from our spouses and our family members to our coworkers and our church community but how can we shift our focus away from the clamor of other voices so we don't miss what God is trying to tell us?
