God Will Never Stop Loving:

God Will Never Stop Loving You Rosemary F. Okolo, 2015-12-01 Religion teaches us that we have to earn God's love through our performances. That we have to get our lives together and live right before God can ever love us. We cannot earn God's love. No one can. He chose to love us even before the foundation of the earth in spite of us. God hates sin but He loves the sinner and wants the best for us. He chose to love us before we ever heard or thought about Him. He chose to love us even when we were sinners, unworthy and helpless. It was His great love for us that moved Him to send His Son Jesus into the world to die for us on the cross so we can have relationship with Him and enjoy life to the full. His love for us is not dependent on us but on Who He is. God is love and He will never stop loving you because of what Jesus did for you and nothing can take away His love for you.

The Magnificent Goodness of God and How It Will Transform Your Life Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God. The image you carry in your heart of God and what He is like will dramatically affect your life, character and destiny. Do you believe God can be your hero? Do you believe God has a good heart? Do you believe that God can transform you into the type of Christian that you always wanted to be? When we begin to understand and believe what it means when the Bible boldly declares that God is good, always, our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord. Anyone who has been touched with the goodness of God cannot come away the same. The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics. The goodness of God is the foundation of all His works, plans and purposes. If we are to understand what God is like, we must first know that He is good and not evil. The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God. The goodness of God is the pinnacle point of the spiritual battle that rages all around us. Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully.

The Prayer of Jesus Michael E. Cannon Jr., 2010-11-05 Prayer is an often practiced, more often neglected and less often understood practice of Christendom. Counselors prescribe prayer as a means to reduce stress and lower blood pressure. Some approach prayer as Eastern meditation, some as an expression of tongues and other traditions.

offer chants in a strict liturgical form John 17 offers the reader an unusual opportunity to listen to a prayer Some might say the prayer in John 17 is the prayer of all prayers the true definition of the Lord s prayer Drawing on classic commentators Michael Cannon casts John 17 in a pastoral light showing the grace wisdom and love of Christ for his people as he pours his heart out before his heavenly Father on their behalf While these were messages originally preached in the context of worship they also serve as a detailed commentary on one of the most beloved passages of Scripture **Lord, I'M Available; You**

Engaging the Doctrine of Jesus (and Mary) Matthew Levering, 2025-03-10 The six chapters of this book focus upon Jesus conception and birth from a virgin his authoritative teaching his miracles his cross his resurrection and his ascension The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture In addition to conversing extensively with historical critical biblical scholarship the chapters make recourse to the theological tradition from the church fathers onward with Thomas Aquinas as a touchstone Levering seeks to make a case for believing in Jesus At the same time he shows how each of these mysteries is intimately linked with a truth about Mary the Mother of Jesus thus arguing for the integral relationship of Christology and Mariology Mary enacts the reception of the Lord by God's faithful people the New Adam never chooses to be without the New Eve in God's new covenant family The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way

walk with your loving heavenly Father and claim your identity **Finding Peace Through Prayer** Dr. Clarence V. Sanders, 2015-05-18 The greatest and most valuable benefit of prayer is that we can draw near to God and learn from him In this book it shows us that we need to reserve more time to pray and meditate When I pray the Lords prayer I often wonder how is our Fathers will done in heaven In this book we learn no matter where we are or what we are struggling with in life God is always with us to bless and comfort us Our Heavenly Father is with us in every difficult time and trial In this book we learn how God watches over us comforts us and loves us with an everlasting love that never fails This book helps us to hear to receive and to respond because it lays us open to unforeseen conclusions True spiritual transformation can happen when we allow the word of God to address us rather than us trying to control it and its effect on us Do not fear for I am with you do not be dismayed for I am your God I will strengthen you and help you I will uphold you with my righteous right hand Isa 41 10 NIV The key to understanding lifes storms is in your private meditation with the Lord Ask him to give you understanding that you may apply it to your heart And this I pray that your love may abound yet more and more in knowledge and in all judgment Phil 1 9 Put what you have into his hands and he will make it valuable Prayer is intended for spiritual communication and for requesting things from God It provides spiritual fellowship and communion God tells us to ask him for what we need We are encouraged to make our requests to the father in Jesus name The 4 Wills of God Emerson Eggerichs, 2018-04-02 Should you take the job Quit the job Begin a relationship End a relationship Move Plant roots How do we find God s will for life s big decisions What if you had total freedom Emerson Eggerichs believes there is a clear answer to finding God s will The Bible itself reveals the clue a secret hidden in plain sight Before launching his Love Respect marriage ministry with wife Sarah Emerson was a senior pastor for nearly 20 years in East Lansing Michigan Before that Emerson and a friend ran a free counseling center called The Open Door in Cedar Rapids Iowa As Emerson navigated his career he found both he and the people he was counseling were wrestling with big decisions and knowing if that decision was really what God wanted Immersing himself in God s word for over 30 hours a week for 19 years he discovered simple clear truths that set him and many others free There is a starting point to discovering God s Will for your next decision and for your entire life Begin here to read stories of people in the same situations you face today You ll be able to discover the freedom you ve been searching for and then like Emerson you ll help others find that freedom too *All The Dots Connect* Sean Beckett, 2008-09 How you judge yourself is the same as how you judge others and is ultimately how you limit your relationship with God Throughout all of time God has had one purpose Everything that has happened is happening or will happen is connected to God s ultimate goal As you read this book you will discover that God s grace is a relationship that is not based on behavior You will learn how to accept a relationship with God that is based on who He is and whom He created you to be He is the One who offers position purpose place and provision Our part is provide an acceptance or rejection to His invitation The choice is ours God s ultimate goal is to have a relationship with man that is not out of compulsion or coercion He wants a relationship

that is freely given All we have to do is say yes to what He is offering You can know all that He has for you and then when you do you will see that all the dots connect **Children Are Gifts from God, Disabled Or Not!** Renee C. Berryman,2009-06 This is an inspirational insightful spiritually sound informative and compelling testimonial of the journey of a Christian mother of two one with a mental handicap You will find a wealth of knowledge and information about raising a child with a mental handicap or any child for that matter as well as an abundance of scripturally based conviction and guidance to face such a disability or child rearing in general This bears witness as to what we can do with all of the troubles this life brings and where we can turn The writer hopes this book will facilitate in finding more answers for such unparalleled issues that effect many lives and as such are far too urgent to ignore God blessed parents and gave them one of His most precious gifts a child to raise and love in the love we know through Christ which never ends not even when a disability like this one hits home You will find that every page reverberates and embraces the scripturally significant indications and the belief that children are gifts from God disabled or not God s strength is made perfect in our weakness so imagine His strength in children particularly those with a mental handicap or any other type of disability This book is a cathartic and heartfelt journey through the thoughts of a woman who has come to grips with the gift of her own child of challenge It is an often taxing and sometimes painful read as Renee opens wide her heart with no strings attached This will help many parents through the dark days of dealing with the realization that their child will be different from the other children at play Keith Wooden Pastor of Ovid Community Evangelical Church Anderson Indiana **NIRV, Kids' Devotional Bible, Hardcover** Zondervan,2016-09-06 With a year s worth of devotions the Kid s Devotional Bible will help children develop a habit they ll keep Engaging questions two color illustrations fun weekend activities and a dictionary make this a Bible they ll want to read and apply to their lives It also includes the New International Reader s Version NIRV the NIV for KidsTM *The Spirit-Directed Self* Howard Eybers,2005 This book teaches us how to harness the motivational power of God s wave effect based on Genesis 1 2 It is an effective tool for daily spiritual enrichment and small group discussions **The Reality of God'S Love** Carol Sparks,2018-05-21 As Christians we have become a community of believers focused on our needs and what God can do for us were convinced were in good standing with the Lord The concept of Gods love is woefully misrepresented throughout the corporate church and weve effectively altered Gods character and diminished his holiness and sovereignty As a result weve become complacent about others salvation In *The Reality of Gods Love* author Carol Sparks explores our beliefs about godly love by examining the spiritual truth in scripture A small study packed with thought provoking insights it challenges some of the long standing concepts held by the Christian church about Gods love and it addresses the validity of some of our beliefs Sparks discusses how the many misconceptions about the subject have altered the gospel message and diminished the effectiveness of the church Deeply spiritual *The Reality of Gods Love* shares scriptures as well Sparks personal observations related to godly love which is at the core of faith It serves to give Christians a greater appreciation for Gods holiness and

sovereignty and a renewed desire to bring the lost to Christ Pathways to His Presence Charles F. Stanley,2006-09-10 Discover God s Blessings for Your Life Even more appealing than the charm of a trail through the forest the serenity of a stroll by a river or the inspiration of climbing a mountain path are the spiritual pathways to God s awesome presence Pathways to His Presence reveals Dr Charles Stanley s keen understanding of your deep longing for a clearer view of God s will for your life The spiritual guidelines of the Word explained in this devotional offer practical truth and inspiration for everyday living The daily readings reveal biblical solutions to the desires and fears of those who feel they are stumbling along faintly lit paths of life If you re longing for the blessings God promises to those who walk with Him Pathways to His Presence will lead you in the direction to capture them in your everyday life *Your Identity in the Trinity* Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ **God's Will and Plan for Your Life** Stacy B. Shannon,2023-07-27 Will God use me for a purpose and a plan in my life If He will how can I know it When I hear these questions from people I always say Yes He will His personal promise is that He does have a plan and purpose for your life Just read Jeremiah 29 11 You re not going to understand everything that comes your way in life Trust one thing The same God who loved you enough to give you life loves you enough to plan for the future of the life that He has given you God promises that if you seek Him you will find Him and in doing so you will also discover His plan and purpose for your life God s will A lot of people spend a lot of time wondering about how God s will is an enigma that cannot be figured out This is a very common misconception We can figure out the plans He has for us All the details may not be crystal clear at first because God keeps some aspects of His will to Himself but with study and meditation of God s Word we can know the path to take in any given situation He will never leave you searching for answers You will have to spend time seeking Him for answers to your prayers but once you do He will never disappoint you God is the only one who knows the plans He has for us and how they can be achieved They are plans that hold renewed joy and peace You must renew your mind with scripture from God It s my desire that whoever reads this book will let God show His everlasting love in a fresh new way No doubt once you come to Christ and accept Him as your Savior the most profound aspect of the Christian life is discovering that He has a will and purpose not only for your heavenly life but

also for every situation you face each day
