Wiccans also believe that individuals can do more than simply pray to a supreme all powerful God and hope for the best. Instead many Wiccans co create with the forces of nature by linking their own personal energy with the divine through ritual and magic. Magic and the Deities. Pioneers of Wicca and modern Witchcraft were piecing together what they envisioned as the Old Religion. With little historical information available these spiritual pioneers drew from the occult knowledge of prior centuries and ancient civilizations this included the deities they worshipped. Many Wiccans call upon these deities during magical rituals and they honor them at various points of the year. You will learn The origins and views of the God and Goddess. The various forms of the Wiccan deities including the Triple Goddess s three aspects. How to represent the God and Goddess on the Wiccan altar. The mythology cosmology and magical practices of several ancient civilizations. The most popular deities of the Egyptian Roman Greek and Celtic pantheons. How to choose your deities. How to work magic with your chosen deities. In other words Wicca. Magical Deities will teach you everything you need to know about the God and Goddess and the Wiccan concept of divinity.
