Gods Character Loving Knowing More:

A to Z of God's Character Sarah Travis,2015-11-25 Over the years I have questioned many aspects of God s character without even realizing it maybe I m not alone My fears show a lack of trust in His sovereignty and provision My continual planning shows a lack of belief in His omniscience He is all knowing When I question why I was placed in a certain situation I am doubting His perfect plan for my life When anger rises up in me while watching the heart wrenching pain of suffering I am putting His lovingkindness into question When I hold on to the sin of my past unable to forgive myself I am rejecting His atoning sacrifice cleansing power and forgiveness All of the fears doubts questions and emotions that rise up within me on a daily basis all count down to one common denominator They all show a lack of belief in the character of God I believe every Bible study should result in us knowing our Father and His Son Jesus more He reveals His character to us throughout Scripture The A to Z of God s Character is a journey through the ways the Lord reveals His nature to us in His Word Together we will learn how we are created to be like Him and reflect His character to the world around us By focusing on the true character of God we will grow closer to Him as we allow truth to wash away our lack of belief *More Beautiful You* Jonny Diaz,Gwendolyn Diaz,2010-07-09 Beauty is within your heart you are perfect just the way you are The God of the universe designed you before the foundation of the world to be exactly who you are not some touched up picture in a magazine He created you beautiful the way you are right now That may sound unbelievable but let Christian music artist Jonny Diaz

Thirteen Lessons on First, Second, and Third John Knofel Staton,2001-05-11 *Life Essentials for Knowing God Better, Experiencing God Deeper, Loving God More* Tony Evans,2007-01-01 What exactly does spiritual growth mean It s a common phrase thrown around in Christian circles but many can not truly define it nor describe how to achieve it Tony Evans helps readers get a grasp on this life essential topic in his new powerful book Based on 2 Peter 3 18 Evans helps readers understand and cooperate with God s plan for growth The author s prayer is that by God s grace people will not merely learn about new growth but will discover a fresh motivation to strengthen and deepen their relationship with the Lord *God's Everlasting Love* Sharon Daugherty,2022-08-01 God gave Sharon a vision and allowed her to move that vision into reality She now shares that vision of love across the miles with her friends Read the joy of God s gracious love and devotion to you the one he loves Listen to God as he uses each devotion to share with you how to follow his direction in the midst of chaos and troubling times From the East to the West from the North to the South and beyond God wants to speak to you so you can flourish for his Kingdom Sharon gives her heart to you keeping you company in the morning in the afternoon or cuddled up at night in your bed to be enriched by God s words Trust in the Lord with all your heart and lean not on your own understanding in all your ways acknowledge him and he will direct your paths Proverbs 3 5 6 **Experience God... His Love ... His Blessings ... His Power ...** BOBBI HODGES,2011-11-01 How do you know who is a Christian and who is a hypocrite Why do Christians say born again What does it mean to be saved Whats the difference between being religious and being spiritual

Through Eastertide David L. Bartlett, Barbara Brown Taylor, 2010-10-01 Feasting on the Word offers pastors focused resources for Sermon preparation written by companions on the way With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary this series offers preachers sixteen different ways into the proclamation of God s Word on any given occasion For each reading preachers will find brief essays on the exegetical theological homiletical and pastoral challenges of the text The page layout is unusual By setting the biblical passage at the top of the page and placing the essays beneath it we mean to suggest the interdependence of these four approaches without granting priority to any one of them Some readers may decide to focus on the Gospel passage for instance by reading all four essays provided for that text Others may decide to look for connections between the Hebrew Bible Psalm Gospel and Epistle texts by reading the theological essays on each one Wherever they begin preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions These authors teach in colleges and seminaries They lead congregations They write scholarly books as well as columns for the local newspaper They oversee denominations In all these capacities and more they serve God s Word joining the preacher in the ongoing challenge of bringing that Word to life We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett Barbara Brown Taylor **Feasting on the Word: Year A, Volume 2** David L. Wolfe,2004-01-20 Building on foundational studies on the relationship of faith and learning this book presents concrete examples of ways in which a Christian perspective can be brought to bear on scholarship in various academic disciplines The editors present a typology of various strategies for faith discipline integration which are then exemplified by two essays in each of seven disciplines political science sociology psychology biology mathematics the arts and philosophy In each discipline a principal essayist addresses a significant issue from a Christian perspective a respondent then analyzes that essay suggesting at least one alternative approach **The Quarterly Review** William Gifford,Sir John Taylor Coleridge,John Gibson Lockhart,Whitwell Elwin,William Macpherson,William Smith,John Murray,Rowland Edmund Prothero (Baron Ernle),George Walter Prothero,1923 More Than a Promise Hurbert F. Sturges,2013-10-31 As soon as there was sin there was a Savior From times eternal God knew that Satan would introduce sin into planet earth infecting its inhabitants Out of His great love for the human family the Father Son and Holy Spirit united in carrying out the great plan of redemption and in fulfilling the everlasting covenant of grace In Mark s hard hitting Gospel the Son of God suddenly appears rising out of the Jordan River hair wet anointed by the heavenly dove and surrounded by the thunder like echo of His Father s approval From this point on all of Jesus recorded words and actions move steadily and unflinchingly toward Christ s sacrifice on the cross where He suffered and died for the redemption of humankind Popular beliefs about the covenant have fragmented God s interactions with the human race insisting that God s plan of redemption for the Jews on Sinai had little or nothing to do with His plan of redemption for new covenant believers Taking his cue from Paul s aligning of God s new covenant promise with His covenant with Abraham and from Peter s New Testament repetition of God s promise of His people being a holy nation Dr Hubert F Sturges argues convincingly and biblically that there is more continuity than discontinuity in God s covenants with the human race Tracing God s saving actions through Scripture and history Dr Sturges reveals the strategic steps that the Father Son and Holy Spirit took in fulfilling their continuing

commitment to the human family With bite sized chapters divided into three sections More Than a Promise The Everlasting Covenant as Presented Throughout History will cause you to reflect on God's great love and mercy for the human race

Eros and Self-Emptying Lee C. Barrett, 2013-11-30 A thought provoking comparative take on two seminal thinkers in Christian history In this book the first volume in the Kierkegaard as a Christian Thinker series Lee Barrett offers a novel comparative interpretation of early church father Augustine and nineteenth century philosopher theologian Soren Kierkegaard Though these two intellectual giants have been paired by historians of Western culture the exact nature of their similarities and differences has never before been probed in detail Barrett demonstrates that on many essential theological levels Augustine and Kierkegaard were more convergent than divergent Most significantly their parallels point to a distinctive understanding of the Christian life as a passion for self giving love Approaching Kierkegaard through the lens of Augustine Barrett argues enables the theme of desire for fulfillment in God to be seen as much more central to Kierkegaard's thought than previously imagined

Speaking the Truth in Love Daniel R. Berger, 2007-01-01 Approaching public communication from a liberal arts point of view *Speaking the Truth in Love* provides a distinctly Christian perspective of rhetoric Written and oral rhetoric are interwoven throughout the text Two foundational ideas control the majority of the text The first is from Plato's *Phaedrus* as stated by Paul in Ephesians 4:15 speaking the truth in love The second is from the Apostle Peter in 1 Peter 4:11 if anyone speaks he should do it as one speaking the very words of God The spiritual responsibility of communicating truth in accordance with the nature of God especially the virtue of love is an awesome privilege and opportunity Sound content spoken or written eloquently with charisma will enable words to have a maximum impact The text is designed to be a culminating learning experience for undergraduate communication programs or as an introductory text for graduate programs involving public communication Beginning with a philosophy of language meaning and interaction argument is built against secular deconstructive thought where everyone has a different truth based on language Alongside philosophy we explore ethics and theology from an evangelical perspective Following this a brief history outlines rhetorical thought from pre testament classics to today Based upon these ideas we take a closer look at communication theory as it relates to public communication Finally the text addresses the practice of both written and oral communication
