Sizer, 2021-07-24 Many Bible believing Christians are convinced that God blesses those nations that stand with Israel and curses those that don't This belief has had a significant influence on attitudes towards the ongoing Palestinian Israeli conflict in the Middle East Claims made in books like the Scofield Reference Bible and Hal Lindsey's *The Late Great Planet Earth* have fed into contemporary Christian Zionism with radical implications for how we view our faith and the world in which we live Stephen Sizer contends that this view is based on misinterpretation of the Bible He provides an introduction to Christian Zionism and a clear response and positive alternative based on a careful study of relevant biblical texts His intention is to encourage dialogue on the relationship between Israel and the Christian church and offer a more constructive view of the future and our role in it This accessible volume includes numerous tables and diagrams questions for Bible study and further reflection and a glossary of terms It concludes with a previously unpublished sermon by John Stott on *The Place of Israel*

Obi, 2015-11-12. God's Kingdom First is written for all the folks who really want to see true success in their Christian lives. One of the secrets to living a truly successful godly life is by knowing what God's children are expected to do and doing it. In Matthew 6:10 Jesus prayed for God's kingdom to come and that God's will would be done on earth as it is done in heaven. He advised us to seek first the kingdom and righteousness of God and then all the other things we need in life would be given to us as well. Many of God's children do not think about this important topic and then wonder why their lives are often in a state of doldrums, uninteresting and disordered. This book discusses what the kingdom of God is, why it is important, and how we can seek it. The contents of this book are not new but have revealing secrets to a Christian's successful life in the Kingdom of God. **A New Vision, a New Heart, a Renewed Call** David Claydon, 2005. Let the songs of the first Christmas turn your heart toward God's glory. During the holidays, the musical tunes of the season are everywhere. Their nostalgic melodies warm our hearts. But the original Christmas songs are different; they lift our hearts to a holy God. They reveal the greatness, glory, and goodness of our Savior. Taking us beyond quaint imagery and feel-good lyrics, the Advent songs of the Bible unfold God's redemptive plan for the world and His eternal purpose for the ages. Reflecting her own love for the season, Nancy DeMoss Wolgemuth offers meditations on the first two

chapters of Luke's gospel in *The First Songs of Christmas* This 31 day Advent devotional shines new light on the ancient yet inspiring songs of Elizabeth Mary Zechariah the angels and Simeon These readings will lead you to contemplate the loveliness and essence of Christmas Let this book be your companion as you spend the days surrounding Christmas the way these men women and angels did your gaze fixed on our great God and Savior *River of God* Douglas D. Priest Jr., Stephen E. Burris, 2012-04-19 *River of God* is an introduction to world missions aimed at undergraduate students However the readers will soon discover that the book is rich in its content far beyond the editors original plan It serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions This book introduces a new paradigm Kingdom Missiology which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament The first half of the book looks at Kingdom Missiology from the biblical historical and cultural dimensions The second half of the book describes helpful strategies in the implementation of this paradigm The importance of urban ministry is woven throughout the book **The Restoration of God's Dwelling and Kingdom** Peter Nyende, 2023-03-31 The church in Africa is thriving both numerically and in its boldness and fervour Yet the challenge of African folk Christianity a Christianity shaped more by traditional beliefs than the Bible continues to loom large and there remains an acute need for life and faith to be biblically informed In this introduction to biblical theology Prof Peter Nyende draws from nearly two decades of experience teaching the next generation of African church leaders Maintaining the vital importance of a holistic understanding of Scripture and its unified nature he presents the central story of both Old and New Testaments as the restoration of God's dwelling and kingdom in the world He traces this narrative through its many stages of development creation and fall God's covenants with Israel exile to its ultimate fulfilment in Jesus the church and the new Jerusalem Though written with pastors and theological students in mind this book is accessible to any who desire to increase their biblical literacy and partner more fully with the work of God and his kingdom **The Reckless Love of God** Alex Early, 2015-08-25 Assurance of God's Personal Love for Us The startling truth about the love of God has lost its potency It is not a passionless theological idea It is a real love that feels and even suffers Whether you grew up in a Christian home and have forgotten this essential truth or you never knew it in the first place we all need to be reminded and assured that God's love is real and personal The Reckless Love of God is about pulling readers in close and asking if they have really considered what it means to say Jesus loves you Nothing changes lives and grows the church faster more effectively and more thoroughly than being captivated by this reality But the love of Jesus is not just a means to another end Receiving the love of Jesus is the end itself Includes end of chapter questions for individual or group use *An Introduction to the New Testament* DAVID A DESILVA, 2020-05-21 Professor deSilva's outstanding textbook sets a new standard for the genre The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation The attractive layout includes numerous maps photographs and text boxes
