Gods Wider Presence Reconsidering General Revelation:

God's Wider Presence Robert K. Johnston, 2014-10-14 What are we to make of those occasional yet illuminating experiences of God's presence that occur outside both church and Scripture? We may encounter God's revelatory presence as we experience a beautiful sunset, the birth of a child, or a work of art, music, or literature. While theologians have tended to describe such experiences abstractly as mere traces or echoes, those involved often recognize such moments of transcendence as transformative. Here senior theologian Robert Johnston explores how Christians should think theologically about God's wider revelatory presence that is mediated outside the church through creation, conscience, and culture. The book offers a robust constructive biblical theology of general revelation, rooting its insights in the broader Trinitarian work of the Spirit. Drawing in part from the author's theological engagement with film and the arts, the book helps Christians understand personal moments of experiencing God's transcendence and accounts for revelatory experiences of those outside the believing community. It also shows how God's revelatory presence can impact our interaction with nonbelievers and those of other faiths.

The Father and the Feminine Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered? Is male imagery such as Father, Son, or King the only appropriate way? Are there ways to talk of God using female gendered metaphors and pronouns? And how does the use of such language impact humans as gendered people? Moving beyond the extremes in this debate, *The Father and the Feminine* seeks to clarify the ways Christians speak about God, whether this is by recognizing revelation and Christian tradition upholding God's ineffability using analogies, metaphors, and narratives referring to God as Father, Son, and Spirit, or by seeking a liberating way of life in community. Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly, but at the same time that it cannot be the exclusive way Christians speak of the Divine. The grammar of Christian Scripture and tradition both authorize the use of female language, which Christians ought to use in pursuing a deeper relationship with God and others, as well as a more authentic view of self.

Knowing God as an Evangelical Dan-Adrian Petre, 2023-04-26 In the present polyphony of evangelical theological epistemology, there are several authoritative approaches. Yet the evangelical emphasis on sola scriptura demands that theological epistemology be subjected to the biblical canon. In this book, Dan-Adrian Petre argues for a canonically derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism. Specifically, he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance. Petre then uses a canonical epistemological methodology to outline a biblically based framework. In exploring how the Scripture conceptualizes the formation of theological knowledge, the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies. The resulting epistemological implications outline a minimal epistemological model derived from the biblical canon. Using this vantage point, the author assesses the

contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical epistemological attunement A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward Redeeming Transcendence in the Arts Jeremy Begbie, 2018-02-14 How can the arts witness to the transcendence of the Christian God Many people believe that there is something transcendent about the arts that they can awaken a profound sense of awe wonder and mystery of something beyond this world even for those who may have no use for conventional forms of Christianity In this book Jeremy Begbie a leading voice on theology and the arts employs a biblical Trinitarian imagination to show how Christian involvement in the arts can be shaped by the distinctive vision of God s transcendence opened up in and through Jesus Christ **Gospel as Work of Art** David Brown, 2024-03-07 A lushly illustrated magisterial exploration of the imaginative truth of the gospel In the modern academy truth and imagination are thought to be mutually exclusive But what if truth can spring from other fonts like art literature and invention The legacy of the Enlightenment favors historical and empirical inquiry above all other methods for searching for truth But this assumption constrains our theological explorations Though the historicity of Jesus s life death and resurrection is important it is not the only thing that matters For instance is John s Gospel any less true than the Synoptics just because it s less historically accurate David Brown challenges us to expand our understanding of the gospel past source criticism and historical Jesus studies to include works of imagination Reading Scripture in tandem with works of art throughout the centuries Brown reenvisions the gospel as an open text Scholars of theology and biblical studies freed from literalism will find new avenues of revelation in Gospel as Work of Art This volume includes over one hundred color illustrations **The Bloomsbury Handbook of Religion and Popular Music** Christopher Partridge, Marcus Moberg, 2023-06-15 The second edition of The Bloomsbury Handbook of Religion and Popular Music provides an updated state of the art analysis of the most important themes and concepts in the field combining research in religious studies theology critical musicology cultural analysis and sociology It comprises 30 updated essays and six new chapters covering the following areas Popular Music Religion and Performance Musicological Perspectives Popular Music and Religious Syncretism Atheism and Popular Music Industrial Music and Noise K pop The Handbook continues to provide a guide to

The Art of New Creation Jeremy Begbie, Daniel Train, W. David O. Taylor, 2022-03-29 Creation and the new creation are inextricably bound for the God who created the world is the same God who promises a new heaven and a new earth Bringing together theologians biblical scholars and artists this volume based on the DITA10 conference at Duke Divinity School explores how the relation between creation and the new creation is informed by and reflected in the arts

A Teachable Spirit A. J. Swoboda, 2025-04-29 Being a know it all isn't a fruit of the Spirit But the ancient call of Jesus beckons us to love the Lord your God with all your heart mind soul and strength Matt 22:37 How do we love God with our mind In *A Teachable Spirit* A. J. Swoboda helps followers of Jesus develop the discipline of teachability In a world marked by distraction mind numbing entertainment endless content polarization and a decreasing desire to humbly learn from those we dislike the way we engage sources of information like news media science and social media content could not be more important Thankfully the Christian faith provides sharp tools and rich traditions for learning how to be the best learners By drawing on his experiences as a professor theologian and lay pastor Swoboda explores the potency of seeing learning as a part of one's spiritual formation to Jesus With the right posture Christians can learn from even the most unexpected places

Transcendence and Spirituality in Chinese Cinema Kris H.K Chong, 2020-05-27 This book provides a framework by which a global audience might think theologically about contemporary films produced in mainland China by Chinese directors Up to this point the academic discipline of Christian theology and film has focussed predominantly on Western cinema and as a result has missed out the potential insights offered by Chinese spirituality on film Mainland Chinese films produced within the nation's social structure offer an excellent lingua franca of China Illuminating the spiritual imagination of Chinese filmmakers and their yearning for transcendence the book uses Richard A Blake's concept of afterimage to analyse the potential theological implications of their films It then brings Jürgen Moltmann's immanent transcendence and Robert K Johnston's God's wider Presence into conversation with Confucianist and Daoist ideas of there being spirituality speaking More in Life than Meets the Eye than simply material existence This all combines to move beyond film and allow for a Western audience to gain a new perspective on Chinese culture and traditions One that uses familiar Western terms while avoiding the imposition of a Western mindset This is a new perspective on cinema religion and Chinese culture that will be of keen interest to scholars of Religion and Film Religious Studies Theology Sociology of Religion and Chinese Studies

Christian Theology Adam Harwood, 2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction Adam Harwood's Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why

Seeing Is Believing Richard Vance Goodwin, 2022-07-19 In this study in IVP Academic's STA series theologian Richard Goodwin considers how the images that constitute film might be a conduit of God's revelation By considering works by Stanley Kubrick Martin Scorsese Terrence Malick and more Goodwin argues that by inviting emotional responses film images can be a medium of divine revelation

Sport and Christianity Matt Hoven, Andrew Parker, Nick J. Watson, 2019-10-31 Many people are passionate about sport yet few give thought to its role and importance in their lives let alone its relationship to Christian faith This book examines the potential of sports and challenges readers to consider how it relates to their deepest passions behaviours and actions while providing newcomers to the field with a framework to help consider the connection between sports participation and faith based values Featuring academic writers from a range of disciplinary fields including philosophy theology sports studies and education Sport and Christianity Practices for the Twenty First Century sheds insight into the meaning of sports for Christians as participants and as practitioners Divided into practises for the mind for the heart and for moral life the numerous topics include the value of play in sports sports as a means for dialogue between faith traditions sports as a place to cultivate virtue and the Christian spiritual life and prayer and religious experiences in sports The result is a text that promotes new ways of thinking about the sports Christianity relationship while at the same time developing a deeper understanding of the place of sports in our everyday lives

Lars von Trier's Cinema Rebecca Ver Straten-McSparran, 2021-11-11 This book offers a bold and dynamic examination of Lars von Trier's cinema by interweaving philosophy and theology with close attention to aesthetics through style and narrative It explores the prophetic voice of von Trier's films juxtaposing them with Ezekiel's prophecy and

Ricoeur's symbols of evil myth and hermeneutics of revelation The films of Lars von Trier are categorized as extreme cinema inducing trauma and emotional rupture rarely paralleled while challenging audiences to respond in new ways This volume argues that the spiritual biblical content of the films holds a key to understanding von Trier's oeuvre of excess Spiritual conflict is the mechanism that unpacks the films notorious excess with explosive centrifugal force By confronting the spectator with spiritual conflict through evil von Trier's films truthfully and prophetically expose the spectator's complicity in personal and structural evil forcing self examination through theological themes analogous to the prophetic voice of the transgressive Hebrew prophet Ezekiel his prophecy and its form of delivery Placed in context with the prophetic voices of Dante Milton Dostoyevsky O'Connor and Tarkovsky this volume offers a theoretical framework beyond von Trier It will be of great interest to scholars in film studies film and philosophy film and theology

The Flourishing Family Dr. David Erickson, Amanda Erickson, 2024-09-17 When it comes to Christian parenting we crave confidence wisdom and most of all peace We pray for peace when our little ones are tossed about by waves of emotions for connection and confidence when navigating stressful mornings and exhausting nights and for wisdom in knowing how best to discipline our kids As Christian parents we're desperate to get it right to raise our children to be strong courageous followers of Jesus and yet despite the overload of endless advice at our fingertips we often feel completely and utterly lost You can become the parent Christ has called you to be and change your home and family from the inside out In *The Flourishing Family* Dr David and Amanda Erickson offer a new parenting perspective one that cultivates peace gentleness and confidence Deeply rooted in Scripture and backed by modern neuroscience as well as insight into child development their book will equip you to rethink common assumptions about what the Bible says about parenting and align your parenting approach with the teachings of Jesus and your identity in Him cultivate the inner peace needed to lead and guide your family with Christ and His grace at the center critically assess various gentle parenting principles through a Gospel lens so that you can respond to your child with understanding and patience honoring the divine image and unique personality God created them to have and use compassionate discipline as discipleship to focus on the heart behind your child's actions addressing the developmental or neurological roots of their behavior rather than merely correcting or punishing their actions or choices Your legacy is not defined by your parenting perfection but by your commitment to follow in the way of Jesus and to trust His Spirit to cultivate the seeds you're diligently planting throughout your children's lives Trust that He will meet you in these pages and that He will transform your hearts and home
