Going Home Nhất Hạnh (Thích), 1999 **Buddhist Inclusivism** Kristin Beise Kiblinger, 2017-07-05 Although Christians have well developed responses to other religions the counterpart scholarship from Buddhists has thus far lagged behind Breaking new ground Buddhist Inclusivism analyzes the currently favored position towards religious others inclusivism in Buddhist traditions Kristin Beise Kiblinger presents examples of inclusivism from a wide range of Buddhist contexts and periods from Pali texts to the Dalai Lama's recent works After constructing and defending a preferred alternative form of Buddhist inclusivism she evaluates the thought of particular contemporary Buddhists such as Thich Nhat Hanh and Masao Abe in light of her ideal position This book offers a more systematic treatment of Buddhist inclusivism than has yet been provided either by scholars or by Buddhist leaders *Jesus, Buddha, Krishna, and Lao Tzu* Hooper, Richard, 2012-05-01 Draws parallels between different religious faiths by presenting side by side comparisons of four leaders teachings on topics such as knowledge suffering death and liberation along with commentaries for each topic **bell hooks' Spiritual Vision** Nadra Nittle, 2023-11-07 When Black feminist and scholar bell hooks died in 2021 she was widely remembered for writing more than three dozen books across genres including memoir poetry theory and criticism However it was her book *Ain't I a Woman* in which hooks examines how Black American women have

historically faced gender class and racial oppression that catapulted her to prominence as a leading feminist thinker Nadra Nittle makes it clear that hooks identified not only as a feminist but also as a Buddhist Christian In bell hooks Spiritual Vision Nittle recounts how hooks kept her spiritual practice private for years fearing there was no room to discuss her faith in the feminist movement or in the academy Ultimately hooks decided to talk and write about her faith to give hope to students curious about her source of strength in a society she deemed an imperialist white supremacist capitalist patriarchy Nittle traces the influences of the Rev Martin Luther King Jr and Buddhist monk Thich Nhat Hanh as hooks developed a spiritual practice centered on love as a force for social change Although hooks opened up about her spiritual philosophy in the last decades of her life Nittle argues that hooks s contributions to religious discourse are largely unheralded bell hooks Spiritual Vision reflects her identity as a feminist and a believer who knit together her political and spiritual practices This book offers readers a window into spirituality s role in hooks writing on her life love feminism and society It speaks both to hooks s longtime followers and to newcomers to her writing Regardless of their starting points readers will get to know bell hooks for all she was Buddhist Christian and feminist

Pierce,2015-03-04 **Religious Diversity--What's the Problem?**

Rita M. Gross,2014-04-24 Once upon a time on grounds of both religion and common sense people assumed that the earth was flat and that the sun literally rose and set each day When newly developing knowledge made those beliefs untenable giving them up was difficult Today the belief that only one of the world s various religions is true for all people on earth is equivalent to the belief in a flat earth Both notions have become untenable given contemporary knowledge about religion Even though many people are still troubled by the existence of religious diversity today that diversity is a fact of life Religious diversity should be no more troubling to religious people than the fact that the earth is round and circles the sun This provocative book based on the author s longtime practice of Buddhism and comparative study of religion provides tools with which one can truly appreciate religious diversity as a gift and resource rather than as a deficiency or a problem to be overcome After we accept diversity as inevitable and become comfortable with it diversity always enriches life both nature and culture **The Routledge Handbook of Buddhist-Christian Studies** Carol Anderson,Thomas Cattoi,2022-09-30

Mark Heim,2018-12-04 Winner of the Frederick Streng Book Award for Excellence in Buddhist Christian Studies This work provides the first systematic discussion of the Bodhisattva path and its importance for constructive Christian

theology Crucified Wisdom examines specific Buddhist traditions texts and practices not as phenomena whose existence requires an apologetic justification but as wells of tested wisdom that invite theological insight With the increasing participation of Christians in Buddhist practice many are seeking a deeper understanding of the way the teachings of the two traditions might interface Christ and the Bodhisattva are often compared superficially in Buddhist Christian discussion This text combines a rich exposition of the Bodhisattva path using ntideva s classic work the Bodicary vat ra and subsequent Tibetan commentators with detailed reflection on its implications for Christian faith and practice Author S Mark Heim lays out root tensions constituted by basic Buddhist teachings on the one hand and Christian teachings on the other and the ways in which the Bodhisattva or Christ embody and resolve the resulting paradoxes in their respective traditions An important contribution to the field of comparative theology in general and to the area of Buddhist Christian studies in particular Crucified Wisdom proposes that Christian theology can take direct instruction from Mah y na Buddhism in two respects deepening its understanding of our creaturely nature through no self insights and revising its vision of divine immanence in dialogue with teachings of emptiness Heim argues that Christians may affirm the importance of novelty in history the enduring significance of human persons and the Trinitarian reality of God even as they learn to value less familiar nondual dimensions of Christ s incarnation human redemption and the divine life Crucified Wisdom focuses on questions of reconciliation and atonement in Christian theology and explores the varying interpretations of the crucifixion of Jesus in Buddhist Christian discussion The Bodhisattva path is central for major contemporary Buddhist voices such as the Dalai Lama and Th ch Nh t Hanh who figure prominently as conversation partners in the text This work will be of particular value for those interested in dual belonging in connection to these traditions
