Journey Against One Current Zhi-Dao "Julia" Duan, Zhi-Dao J. Duan, 1997-06-01 The Spiritual Autobiography of a Chinese Christian Julia Duan's story recalls missionary biographies of an earlier age Here is an intriguing story of a courageous woman who dared to stand up for Christ in Marxist China and the God who was her strength through it all At age 72 and after years of teaching Julia Duan left China and returned to student life at Whitworth College Spokane Washington and later at Moody Bible Institute Her story was discovered by Linda Hunt a writing professor at Whitworth when she read Julia's description of her first night in the labor camp Touched by this chapter in Julia's life Linda suggested she write her entire story She prayed and ultimately agreed to let her life be a spectacle to the world for God's glory Since journals were not allowed in the labor camp Julia set about writing her story from memory first in English and then in Chinese She squeezed writing time in between classes studies speaking engagements and work During the last four years Julia has been an ambassador for the believers of China participating in conferences for Chinese Christians in various cities Her stories challenged and inspired these believers most of whom converted to Christ after coming to America

Against The Current Barry Cole, 2015-07-13 In the summer of 1900 Thomas Cunningham begins work on a device that will harvest the inexhaustible energy found in magnetic fields At the same time the largest oil company in the U S implements its plan to monopolize energy and will stop at nothing to prevent the emergence of this new technology This is a story of discovery intrigue murder and the dogged perseverance of a family that chooses to go AGAINST THE CURRENT

Against the Current Guillermo E. Rosado Haddock, 2013-05-02 The present collection of seventeen papers most of them already published in international philosophical journals deals both with issues in the philosophy of logic the philosophy of mathematics the philosophy of language and epistemology The first part contains critical assessments and somewhat deviant renderings of the work of two seminal philosophers Frege and Husserl as well as of the young Carnap and Kripke The second part contains analyses of central issues in the philosophy of logic the philosophy of mathematics and semantics including arguments on behalf of Platonism in the philosophy of mathematics a defense of second order logic a new definition of analyticity a sketch of a semantics for mathematical statements and a critique of Kripke's possible world semantics for modal logic

to Lead Against the Current Eveline Shen, 2025-08-05 This is the blueprint we need to lead with audacity transform oppression into power and ignite a future rooted in collective liberation Lateefah Simon US Congress member and MacArthur Genius Fellow Heart centered tools for social change leaders to foster courage keep momentum and manage burnout In the face of complex challenges capable leaders need more than a simple box of leadership tools They need an internal system of leadership a tested operating system to help them navigate successfully through forces of oppression while staying connected to their purpose values and vision In *Choosing to Lead Against the Current* award winning movement leader social change strategist and executive director Eveline Shen shares her Courageous Operating System a revolutionary system designed to help positive transformation leaders cultivate their power sustain themselves both mentally and physically and create lasting conditions for success With inspiring stories and case studies drawn from her own experiences as well as from her work with other change leaders topics include how to Turn encounters with adversity into sources of strength Redefine success on one's own terms Build creative momentum against forces of oppression Transform failures into progress Prioritize short and long term self care Shen's system has been taught to leaders in over 200 organizations across the U S and global South It's holistic in nature with different elements designed to work as one *Choosing to Lead Against the Current* takes readers through the system's components with exercises at the end of each chapter to help integrate them into any leadership style Shen's offering teaches anyone leading against the current how to harness their full leadership power to build a future that values the liberation of all people and life on this planet *Boats Against the Current* Lewis

Perry, 2002-08 *Boats Against the Current* provides a fascinating account of how American culture emerged from the sheltered elitist world of the eighteenth century into the dynamic turbulent civilization that reached full bloom after the Civil War The antebellum years were times of flux and change years of a society rushing into the western wilds muscular and ambitious yet haunted by uncertainty about its future and its past Renowned scholar Lewis Perry begins his study with a fresh look at Andrew Jackson vividly recreating a time when Americans feeling their ties to the past disintegrating fostered a new fascination with history Then Perry introduces us to the observations of such articulate foreign travelers as Alexis de Tocqueville and Fredrika Bremer He deftly weaves together these writers perspectives to provide a fascinating look at our emergent nation Here too are the women of the cities and frontier the peddlers preachers and showmen along with such writers as Hawthorne Emerson Whittier and Parker Perry brings these personalities and writings together to show us how early nineteenth century America saw itself in both its promise and its fears Now available for the first time in paperback *Boats Against the Current* offers a brilliant portrait of a society in the midst of change expansion and reflection about its own future and past Written by one of our leading intellectual historians it makes a major contribution to our understanding of the emergence of modern American culture *Swim Against the Current* Jim Hightower, 2008-03-04 The New York Times

bestselling author and America's funniest activist gives the lowdown on how to put up not shut up in the fight for the country

s future Hightower introduces readers to people from across the country who are taking charge living their values doing good and doing well **Swimming Against the Current in Contemporary Philosophy** Henry B. Veatch, Harry B. Veatch, 2018-03-02 Looks at being a follower of Aristotle or St Thomas Aquinas in a modern philosophical world **Against the Current: Simple Chapters from a Complex Life** Edward Alfred Steiner, 2022-09-15 In *Against the Current Simple Chapters from a Complex Life* Edward Alfred Steiner offers a compelling introspection into various aspects of human experience through a series of autobiographical chapters Written in a lyrical and accessible prose style the book weaves together personal anecdotes with broader philosophical reflections revealing the intricacies of Steiner's life as a thinker and observer of societal dynamics Through vivid storytelling Steiner effortlessly situates his narrative within the broader context of early 20th century intellectual thought where his insights resonate with themes of identity migration and the search for meaning amidst societal upheaval Edward Alfred Steiner a philosopher educator and social critic draws upon his diverse experiences as an immigrant and his intellectual journey through multiple cultures His background in sociology and his profound engagement with social reform movements deeply inform this work enhancing its thematic depth Steiner's own struggles against societal currents imbue his writing with authenticity and passion making his reflections not merely personal but universally resonant *Against the Current* is recommended for readers who seek a thought provoking exploration of life's complexities through the lens of personal narrative Those interested in themes of resilience identity and philosophical inquiry will find Steiner's reflections both enlightening and relatable as he invites readers to navigate their own currents with courage and introspection [Against the Current](#) Boris Ragula, 2005-10-14 *Against the Current* offers a personal account of the plight of European refugees and the importance of immigrants to Canada's post war growth Ragula's insights into the complicated nature of identity in central Europe shows how ordinary people negotiate the complex often contradictory claims of national ethnic religious and geographic loyalties His memoir provides a personal perspective on some of the major events of the twentieth century **Against the Current!** Wilhelm von Kardorff, Helga Zepp-LaRouche, Anton Chaitkin, Michael Carr, A currently popular philosophy is summed up in the phrase Don't worry just go with the flow This book was written by a leading member of the German Reichstag parliament Wilhelm von Kardorff who discovered that the flow both of his own personal assumptions and of the universally taught doctrines of German economic philosophy and government policy were dead wrong and leading towards a waterfall of complete destruction and impoverishment of his nation With this book he launched a successful campaign to redirect the flow or current with the introduction of American System economic policies into Germany This book originally entitled *Gegen den Strom Eine Kritik der Handelspolitik des Deutschen Reichs an der Hand Carey'schen forshungen* was first published in Berlin in 1875 By May of 1879 von Kardorff's campaign resulted in German Chancellor Bismarck's adoption of a new economic program which he announced in a presentation before the Reichstag To a large degree Bismarck based his new program on this book and von Kardorff's

accompanying educational political exertions The flow or current was redirected along the lines of the Henry C Carey
 Abraham Lincoln American System policies and Germany became one of the leading scientific agricultural industrial nations
 of the world By pointing out errors of judgment and axiomatic assumption this book made history as it shall do now again In
 both science and politics progress is impossible without a willingness to reexamine assumptions and axioms A bright future
 awaits us if we but put aside our conceits We must go Against the Current **Code of Federal Regulations** ,1995 Special
 edition of the Federal Register containing a codification of documents of general applicability and future effect with

 work with children My kids were driving me crazy Now we re all working together again A whimsical name for a seriously
 good book Fingerpainting is a lot more than another How to book How would you like to take some of the pressure out of
 parenting Do you want to know how to really help kids and have fun with them at the same time If parenting or managing
 children has been perplexing frustrating or tedious for you why not shake things up a bit Put that old parent by number book
 away and try fingerpainting in psych class **Why Current Affairs Needs Social Theory** Rob Stones,2015-02-26
 Television news is frequently disparaged by thoughtful commentators for its preoccupation with drama and spectacle at the

expense of serious in depth engagement with the critical issues it covers Whilst insisting these charges possess more than a small dose of truth Rob Stones argues for more emphasis to be placed on strengthening the capacities of audiences Drawing from major traditions in social thought and on academic media analysis Stones provides the conceptual tools for audiences to bring greater sophistication to their interpretations developing their capacity to think across items and genres A detailed account of an episode of the Danish political drama Borgen reveals the extent to which its viewers already deploy similar concepts and skills in order to follow its storylines Stones shows how audiences can refine these skills further and demonstrates their value with respect to a wide range of current affairs texts including Israeli settlers on the West Bank the Rwandan genocide the Egyptian revolution the Obama administration s immigration reform bill the bases of Germany s economic success the conflict between red shirts and yellow shirts in Thailand China s diplomatic relations with Burma and scandals of mistreatment within the UK and Swedish healthcare systems The book shows that everyone s understanding of current affairs can be significantly enhanced by social theory It will be relevant to students of sociology politics media studies and journalism at all levels
