Engineering & Raising Children Who Succeed! Suzzie Santos, 2015-12-16 It has been shown many times over in studies that parents involved in their kids education and training have a positive influence on their child success and development It is reflected in better grades and test scores solid participation higher college graduation rates superior mindsets and behaviors in the child and the child being more likely to join positive extra curricular activities Send the message early in your child education that your household is involved and active in their learning and development If you are too tolerant or expect too little your child could find himself or herself being a mess or unmotivated If we are too inflexible and rigorous it could cause undue tension or cause your child to feel unable to deliver on your expectations So what is the best way to bring forth a favorable learning environment for your child at home Here is a preview of what you will soon learn The Positive Influence Of Being Involved In Your Child's Education Raising Children To Succeed How Do We Define Success What Don't Children Need Expect Only The Best From Your Child What They Do Need Boundaries Routines Rules Responsibility Safeguard Your Child's Emotional Wellbeing Creating Your Child's Healthy Sense Of Self Esteem Ways To Develop Self Esteem In Your Child Get Involved In Your Child Activities Hobbies And School The Importance Of Crystal Clear Rules For Your Child Successful Two Way Communications With Your Children Educating Social Skills The Legacy Of Books The Power Of Role Models and much much more Apnea No More Trevor Hawkins, 2015-12-16
