Great Britain and Her Queen Anne E. Keeling, 2008-12 Rather more than one mortal lifetime as we average life in these later days has elapsed since that June morning of 1837 when Victoria of England then a fair young princess of eighteen was roused from her tranquil sleep in the old palace at Kensington and bidden to rise and meet the Primate and his dignified associates the Lord Chamberlain and the royal physician who were come on business of state to the Queen words of startling import for they meant that while the royal maiden lay sleeping the aged King whose heiress she was had passed into the deeper sleep of death It is already an often told story how promptly on receiving that summons the young Queen rose and came to meet her first homagers standing before them in hastily assumed wrappings her hair hanging loosely her feet in slippers but in all her hearing such royally firm composure as deeply impressed those heralds of her greatness who noticed at the same moment that her eyes were full of tears

Great Britain and Her Queen E. Anne Keeling, 2007-08-01 *Great Britain and Her Queen* Keeling Annie E., 2009-11-28 A passage from the book Rather more than one mortal lifetime as we average life in these later days has elapsed since that June morning of 1837 when Victoria of England then a fair young princess of eighteen was roused from her tranquil sleep in the old palace at Kensington and bidden to rise and meet the Primate and his dignified associates the Lord Chamberlain and the royal physician who were come on business of state to the Queen words of startling import for they meant that while the royal maiden lay sleeping the aged King whose heiress she was had passed into the deeper sleep of death It is already an often told story how promptly on receiving that summons the young Queen rose and came to meet her first homagers standing before them in hastily assumed wrappings her hair hanging loosely her feet in slippers but in all her hearing such royally firm composure as deeply impressed those heralds of her greatness who noticed at the same moment that her eyes were full of tears That rare spectacle of simple human emotion at a time when a selfish or thoughtless spirit would have leaped in exultation touched the heart of England deeply and was rightly held of happy omen The nation's feeling is aptly expressed in the glowing verse of Mrs Browning praying Heaven's blessing on the weeping Queen and prophesying for her the love happiness and honour which have been hers in no stinted measure Thou shalt be well beloved said the poetess there are very few sovereigns of

whom it could be so truly said that they have been well beloved for not many have so well deserved it The faith of the singer has been amply justified as time has made manifest the rarer qualities joyfully divined in those early days in the royal child the single darling hope of the nation
