Great Expectations A Stepping Stone Book:

Great Expectations Charles Dickens, 2011-08-31 One of Charles Dickens's most fascinating novels *Great Expectations* follows the orphan Pip as he leaves behind a childhood of misery and poverty after an anonymous benefactor offers him a chance at the life of a gentleman. From the young Pip's first terrifying encounter with the convict Magwitch in the gloom of a graveyard to the splendidly morbid set pieces in Miss Havisham's mansion to the magnificently realized boat chase down the Thames *Great Expectations* is filled with the transcendent excitement that Dickens could so abundantly provide. Written in 1860 at the height of his maturity it also reveals the novelist's bittersweet understanding of the extent to which our deepest moral dilemmas are born of our own obsessions and illusions. This edition includes Dickens's original discarded conclusion to the novel, the 1907 Everyman preface by G. K. Chesterton and twenty illustrations by F. W. Pailthorpe. **Great Expectations**

Charles Dickens, 1996-11-19 Seven year old Pip is an orphan. He lives with his nasty older sister and works as a blacksmith's apprentice. Pip dreams of a better life but has no idea how to turn his luck around. Then a mysterious stranger decides to make all of Pip's dreams come true. Pip's lonely life is about to change forever. Will his great expectations be realized? Or will he learn that money and power are worthless without love and friendship. **Great Expectations & Other Great Dickens' Novels - 5 Books in One Volume (Illustrated Edition)**

Charles Dickens, 2017-11-15 *A Tale of Two Cities* *A Tale of Two Cities* is a novel by Charles Dickens set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same time period. It follows the lives of several protagonists through these events. *Great Expectations* *Great Expectations* is a bildungsroman or a coming of age novel and it is a classic work of Victorian literature. It depicts the growth and personal development of an orphan named Pip. The novel was first published in serial form in Dickens' weekly periodical *All the Year Round* from 1 December 1860 to August 1861. *David Copperfield* *David Copperfield* is the common name of the eighth novel by Charles Dickens, first published as a novel in 1850. Many elements of the novel follow events in Dickens' own life and it is probably the most autobiographical of his novels. *Oliver Twist* *Oliver Twist* is notable for Dickens' unromantic portrayal of criminals and their sordid lives. The book exposed the cruel treatment of many a waif child in London, which increased international concern in what is sometimes known as The Great London Waif Crisis, the large number of orphans in London in the Dickens era. *A Christmas Carol* The tale has been viewed by critics as an indictment of 19th century industrial capitalism. It has been credited with restoring the holiday to one of merriment and festivity in Britain and America after a period of sobriety and sombreness. Charles Dickens 1812-1870 was an English writer and social critic. He created some of the world's best known fictional characters and is regarded by many as the greatest novelist of the Victorian era. *Great Expectations* Monica Kulling, Dickens Kulling, 1996
