INTRODUCTION

This manual has been written to provide the owner and user with safe and clear instructions on tractor operation and maintenance.

By following the instructions in this manual, you will not only get many years of efficient and faithful service from your **Massey Ferguson** tractor, but will also find your work far easier.

Your dealer will give you operating and maintenance instructions when you take delivery of your new tractor, and will make sure that you fully understand all you need to know. If, however, you encounter difficulty in understanding any part of this manual, do not hesitate to get into touch with your nearest dealer to seek explanations. It is essential for you to fully understand and observe all the instructions in this manual. Carry out all daily maintenance checks. Perform all routine servicing operations at the intervals specified in accordance with the hour counter on the tractor meter.

If you need spare parts, use only genuine **Massey Ferguson** spares. Your local **Massey Ferguson** dealer not only provides genuine spares but can also give you useful hints on fitting and use. Remember that non-genuine parts can damage other components. To ensure that your spares are genuine **Massey Ferguson** items, always purchase them from an authorised **Massey Ferguson** dealer or spares outlet.

Massey Ferguson tractors work in a tremendous variety of conditions the world over. **Massey Ferguson** cannot therefore give instructions to suit all potential conditions of use or perfectly accurate and up to date information on performance and efficiency. **Massey Ferguson** therefore accepts no responsibility for damage or loss deriving from the interpretation of information contained in this manual, nor for any error or omission herein. If your tractor is to be used in particularly heavy duty applications (e.g. in heavy clay soils or very muddy conditions), contact your dealer for specific instructions. Failure to do so, or failure to observe such instructions may invalidate your tractor's warranty.

Customers are strongly advised to refer any difficulties in operating or assistance only to authorised **Massey Ferguson** dealers. The **Massey Ferguson** dealership network is equipped and trained to provide assistance and to advise customers on how to use their tractors in special working conditions.

The names and addresses of **Massey Ferguson** dealers world-wide can be obtained by writing to the addresses on the next page.
