

Welcome Speech for Opening Ceremony 2007 of the Master's Programme Land Management and Land Tenure

Distinguished Guests, Ladies and Gentlemen and Dear Master's Students,

Good morning to all of you. I would like to extend a warm welcome to each and every one of you to this opening ceremony of the Master's Programme session 2007/2009. Today is a day of celebration and festivity dedicated to all new students who are going to join us from today.

Land –this is the platform for social, economic, political and cultural activities. Land is the prerequisite or success factor for poverty eradication, hunger reduction and sustainable development. Here I can recall the statement made in the famous Vancouver Conference on Habitat in 1976. One of which was:

“Land, because of its unique nature and crucial role it plays in human settlement, cannot be treated as an ordinary asset, controlled by individuals and subject to pressures and inefficiency of the market”.

This brings us to the question of proper land management. Just think about one crucial issue of urban land and that is Poor's access to land. Quite understandably that the poor are the most handicapped group of people in the urban land market and their problem of land is getting more and more difficult every day. To change this situation government needs deep commitment and professional support with innovative strategies for land management.

In Johannesburg World Summit, the heads of states declared:

“All of us are united and moved by a deeply-felt sense that we urgently need to create a new and brighter world of hope”.

In fact this is the background or dimension and the scientific challenge to our master's programme Land Management and Land Tenure. I think it is an indispensable contribution to the promise of Germany's chancellor to implement the ethical sense of Johannesburg Declaration.

In 2001 we started our master's programme. Now this is the year 2007. During this time 5 batches have been graduated. As an ambassador of the centre of land management and land tenure they are working in relevant fields of land management in their home countries. We are contributing to the qualification of future experts in the field of land management through this programme. It is wonderful to think that we have total 72 alumni representing 23 countries. That is truly international.

Ladies and Gentlemen,

In the journey of this master's programme, we have received manifold supports from different corners. In this happy day I would like to extend my gratitude and thanks to:

- TUM, i.e. its President, council and the Dean of the Faculty
- The Bayerische Staatskanzlei, DAAD, GTZ and Hanns-Seidel-Stiftung and
- Förderkreis Bodenordnung und Landentwicklung München with all its private sponsors

Without their contributions it was not easy to make this programme successful one.

Master Of Ceremony Opening Remarks:

The Top Books of the Year Master Of Ceremony Opening Remarks The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Master Of Ceremony Opening Remarks : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Master Of Ceremony Opening Remarks : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
