contextual elements that impinge on the writing situation Her data urge attention to issues of learning transfer and to developmentally sound linkages in writing instruction within and across disciplines Beaufort advocates special attention to discourse community theory for its power to help students perceive and understand the context of writing *Strathmore's Who's Who, 2000-2001* Strathmore Directories, Limited,2001-05 **Working Mother** ,2001-10 The magazine that helps career moms balance their personal and professional lives **Resources in Education** ,1998 **American Book Publishing Record** ,1998 *Proceedings* American Society for Engineering Education.
