How to Implement SAP HCM- Personal Administrator and Organizational Management Processes for ICT Corporation David Jones, 2017-06-25. SAP HCM or Human Capital Management offers a complete and integrated set of solutions to help an organization effectively manage its people. HCM provides the Human Resource (HR) department with solutions that are comprehensive, engaging, and flexible. The different sections or sub-modules of HCM help in talent hiring, aligning employee goals with business objectives, identifying and cultivating employee skills, and measuring and rewarding employee performances. It helps to automate all the core HR processes, resulting in increased efficiency and cost reductions for a company in the arena of human resource management.
