*The Sound of Bells* Norah Moore,2013 This book brings together the teachings of Meher Baba and the teachings of Carl Gustav Jung for the first time Many people would wish to bring together their inner experience of spirituality and psychological development Meher Baba did not come to bring a new religion but a philosophy that brought all religions together In this first book *The Sound of Bells and Eastern Mysticism* I looked at C G Jung s Analytical Psychology in the light of Meher Baba s book *God Speaks* In the second book of the trilogy *Glowing Embers for the New Humanity* God can only be Lived I brought a more detailed account of how this might be accomplished In the final book of the trilogy I turned to a more personal account of how I followed this path myself and summed up how the path has been followed throughout all the avataric ages

**Catafalque** Peter Kingsley,2021-11 Catafalque offers a revolutionary new reading of the great psychologist Carl Jung as mystic gnostic and prophet for our time This book is the first major re imagining of both Jung and his work since the publication of the *Red Book* in 2009 and is the only serious assessment of them written by a classical scholar who understands the ancient Gnostic Hermetic and alchemical foundations of his thought as well as Jung himself did At the same time it skillfully tells the forgotten story of Jung s relationship with the great Sufi scholar Henry Corbin and with Persian Sufi tradition The strange reality of the *Red Book* or *New Book* as Carl Jung called it lies close to the heart of Catafalque In meticulous detail Peter Kingsley uncovers its great secret hidden in plain sight and still as if by magic unrecognized by all those who have been unable to understand this mysterious incantatory text But the hard truth of who Jung was and what he did is only a small part of what this book uncovers It also exposes the full extent of that great river of esoteric tradition that stretches all the way back to the beginnings of our civilization It unveils the surprising realities behind western philosophy literature poetry prophecy both ancient and modern In short Peter Kingsley shows us not only who Carl

Jung was but who we in the West are as well Much more than a brilliant spiritual biography Catafalque holds the key to understanding why our western culture is dying And an incantatory text in its own right it shows the way to discovering what we in these times of great crisis must do Book details 844 page paperback      **Catafalque (2-Volume Set)** Peter Kingsley,2018-11 Catafalque offers a revolutionary new reading of the great psychologist Carl Jung as mystic gnostic and prophet for our time Much more than a brilliant spiritual biography this book holds the key to understanding why western culture is dying and what we now can do to help it      **Jung, Synchronicity, and Human Destiny** Ira Progoff,1975-02
