Gnome Invasion Fourth Grade Fairy:

Gnome Invasion Eileen Cook, 2011-08-16 The third in a series of books about Willow's adventures as she masters her secret fairy powers navigates sprite training tries to ignore her perfect older sister and maintains a friendship with Katie the most unnormal of humans Willow Avery seems to be advancing in her fairy training with alarming speed In addition to being able to talk to animals a very unusual power she can also fly But it isn't all good news Willow's human bff Katie has discovered that fairies exist and that's put the Averys in a difficult position They're under review from the Fairy Council as to what humans knowledge of fairies could mean Meanwhile Willow is entering the school science fair and she's vowed not to use her magic to help her win So she tests different methods of watering plants the old fashioned way trial and error However a vindictive garden gnome Jakob DeGroot is appalled at her plant abuse and does everything in his power to thwart her science project Of course drama continues with Bethany and Katie and new crush Nathan at school And it looks like Jakob might be meddling with her human classmates projects too Can Willow stop the meddling gnome and still be able to compete all without magic

Gnome Invasion Eileen Cook, 2011 Ten year old fairy godmother in training Willow secretly uses magic to deal with a rogue garden gnome who interferes with the plants in her science project but when her project is chosen to advance she finds even greater problems at the state level of competition *Fourth Grade Fairy Complete Collection (Boxed Set)* Eileen Cook, 2018-07-31 All three books in the Fourth Grade Fairies series are now available together in a collectible boxed set Willow Doyle only wants three things to be normal to fit in at her new school and to have a best friend But there's no way Willow will ever be normal There isn't anything normal about her or the Doyle family Willow comes from a long line of fairy godmothers and she's expected to be one too when the time comes Maybe that would be cool if it were like the old days when the humans known as humdrums knew fairy godmothers existed and the fairies didn't have to keep their fairy status secret Now they're stuck helping people who don't even believe in them Rather than help humans Willow would rather be human This paperback collection includes *Fourth Grade Fairy Wishes for Beginners* *Gnome Invasion*
