**God and Football** Chad Gibbs, 2010-11-29 In 2008 over six million people attended an SEC football game They spent thousands on season tickets donated millions to athletic departments and for three months a year ordered their entire lives around the schedule of their favorite team As a Christian Gibbs knows he cannot serve two masters but at times his faith is overwhelmed by his f

*God and Football* Chad Gibbs, 2010-08-24 At the age of 8 Chad Gibbs attended his first Southeastern Conference football game Since then he has been in a constant battle to not let his love of all things pigskin consume him As a Christian Gibbs knows he cannot serve two masters but at times his faith is overwhelmed by his fanaticism He is not alone In 2008 over six million people attended an SEC football game They spend thousands on season tickets donate millions to athletic departments and for three months a year order their entire lives around the schedule of their favorite team Gibbs and his six million friends do not live in a spiritually void land where such borderline idol worship would normally be accepted They live in the American South where according to the 2008 American Religious Identification Survey 84 percent identify themselves as Christians This apparent contradiction that Gibbs sees in his own life and in millions of others has led him to journey to each of the twelve schools to spend time with rabid Christian fans of various ages and denominations Through his journey he hopes to learn how others are able to balance their passion for their team with their devotion to God And if Gibbs learns others are just as messed up as he is at least he will know he is not alone Better Off Without 'Em Chuck Thompson, 2013-07-16 The author of *Smile When You're Lying* describes his controversial road trip investigation into the cultural divide of the United States during which he met with possum hunting conservatives trailer park lifers and prayer warriors before concluding that both sides might benefit if former Confederacy states seceded

*Sports Ethics for Sports Management Professionals* Patrick Thornton, Walter T. Champion (Jr.), Lawrence Ruddell, Larry Ruddell, 2011-04-22 Directed at future sports executives and sports managers the book contains numerous case studies that allow students to apply the ethical decision making process to a sports related ethical dispute Unlike other texts that spend too much time discussing ethical theories *Sports Ethics for Sports Management Professionals* addresses the important issues sports professionals may actually encounter during their career Book Jacket Game Day and God Eric Bain-Selbo, 2009 *Game Day and God* Football Faith and Politics in the American South takes seriously the often stated assertion that college football in the South is a religion To this end Eric Bain Selbo draws upon a wide range of theoretical approaches in religious studies and cultural criticism He also relies upon field research on several campuses in the Southeastern Conference where he interviewed fans and experienced game day Consequently the author is able to make the case that college football does function religiously for many people in the South In addition the author introduces key concepts and theories of religion and culture to a general audience *Game Day and God* also recounts the role that college football has played in Southern history and culture Going back as far as the Civil War the work explains the cultural meaning of college football in the South

delivering a much needed critical perspective to the subject Scholars of religion will find the work a compelling extension of key concepts and theories to an otherwise secular activity Scholars of American culture and sports will find the work to be an interesting case study one that unlike much work in the area focuses our attention on the religious dimension of the phenomenon of sport in American culture And general readers will find that college football or any sport can be much more than they imagined as well as discover important theories with which to make sense of the complexity of our daily lives Book jacket

**Football... Why Men Love the Game** Patrick Greak,2012-06-26 In football coaches must trust their players not to make the same mistake over and over again However God never gives up on us no matter how many times we make mistakes or commit sins Remember that sinning is different from a mistake To sin against the law of God requires intent against the law of God and the original Ten Commandments that God gave Moses The connection between religion and sports is everywhere in our culture Athletes and fans alike are known for praising God for all success But beyond these public displays of religion

is a spiritual connection that exists between our faith and our favorite teams God and Football Why Men Love the Game takes an in depth look at this connection to show the spiritual reasoning behind our passions for the game Playing or watching the game of football is beneficial physically and spiritually Real time decisions made during a game simulate decisions that will be made later in life off the field Yet risk is involved and attached to the activity Injuries can and do occur during games just as spiritual injuries occur in our daily lives While football is a fierce game it teaches us the importance of following the rules embracing discipline committing to a team and trusting in a higher power Football helps make men better by reminding us of our mortality as well as teaching us valuable life and spiritual lessons Find out more about the connection between football and spirituality in God and Football Why Men Love the Game     *How the SEC Became Goliath* Ray Glier,2012-09-25 Examines why the last six college football champions have come from the Southeastern Conference arguing that better coaches budgets stadiums weather and players are the reason     *Dixieland Delight* Clay Travis,2010-04-20 A sports columnist documents the University of Tennessee s 2006 football season in the NCAA s Southeastern Conference As indispensable to college football fans as ibuprofen on Sunday morning Warren St John bestselling author of Rammer Jammer Yellow Hammer There is no college ball more passionate and competitive than football in the Southeastern Conference where seven of the twelve schools boast stadiums bigger than any in the NFL and six five million fans hit the road every year to hoot and holler their teams to victory In September 2006 popular sports columnist and lifelong University of Tennessee fan Clay Travis set out on his Dixieland Delight Tour Without a single map hotel reservation or game ticket he began an eight zero mile journey through the beating heart of the Southland As Travis toured the SEC he immersed himself in the bizarre game day rituals of the common fan brazenly dancing with the chancellor s wife at a Vanderbilt frat party hanging with University of Florida demigod quarterback Tim Tebow and abandoning himself totally to the ribald intensity and religious fervor of SEC football Dixieland Delight is Travis s hilarious loving irreverent and endlessly entertaining chronicle of a season of ironic excess in a world that goes a little crazy on football Saturdays It s the irreverent attitude and willingness to make fun of one s own obsessions that give the account its zip Booklist Dixieland Delight promises to be so popular down South it might replace the Bible in select motel rooms Pretty much anyone will love this thing but if you have even a remote interest in the SEC this essentially is your new handbook on life Dan Wetzel Yahoo national sports columnist and co author of Glory Road     **Men of Sunday** Curtis Eichelberger,2012-08-27 Step into the locker rooms and living rooms of NFL players and their families to see how a close relationship with God guides football s biggest stars In a behind the scenes off the field glimpse into one of America s most beloved sports Men of Sunday reveals how Sunday s greatest rely on God to face issues such as drug abuse family crisis injuries and temptations resulting from fame and fortune Compiled from dozens of interviews Men of Sunday marks the intersection of two Sunday traditions faith and football Inspired by the league s systemic shift toward embracing Christianity Bloomberg writer Curtis Eichelberger shows how God is a source of comfort when facing the unique challenges
