The Gift of Time Julie McLaughlin, 2022-08-30 Do we have any skeletons in our closet That was the question posed to the author's mother in law by a niece after receiving a private message through Facebook from a stranger who said I think you are my cousin This led to a shocking phone call on a normal June day which altered the life of the author For forty years Julie had kept a secret from most of the people in her life A Catholic girl from a good family in the late 1970s she had become pregnant in her late teens but was not ready to be a mom With guidance from her parish priest Julie went away to live in a home for other unwed pregnant girls and made the difficult decision to give her baby up for adoption Not for forty years did she know a thing about him what his name was what he looked like where he lived or what he did for a living Until that June day in 2018 when he was revealed to be that baby now a forty year old man Yet she always had faith that her decision was the right one as she placed her son in God's hands Over the course of two years this birth mother and biological son get to know each other and enter into each other's lives There are interesting twists and turns Had their paths ever crossed This very personal and honest memoir dives into the heartache loss and guilt suffered by the author You will laugh and you might cry Some who have experienced the real story compare it to a beautiful Hallmark movie In the end the hole in the author's heart is filled It is the author's hope that this adoption story can bring peace to others who have endured a similar fate

Williams-Thrun,Tbd,2020-03-13 You re not permitted to see your child at birth The nurse was cold and stern as she draped a curtain across the teenager s midsection The baby s cries echoed off the cold operating room walls and boomeranged back to the girl s shattered heart Wiping the tears from her eyes she desperately clung to her baby s fleeting shadow cast upon the thin fabric that hung between them An unplanned pregnancy at seventeen and the feeling they had nowhere to turn forced a young couple to make a decision they would regret for the rest of their lives Although Cathy and Joey had their entire future planned to eternity nothing could have prepared them for this fork in the road One decision either way would change the course of their love forever The pounding of her heart dances in rhythm to the methodical passing of time How could nineteen painful years drag on like an eternity yet suddenly fade in the blink of an eye Anxiously waiting for the phone to ring

Cathy accepts the unknown Her future happiness depends on the questions she yearns to have answered Did she make the right decision Can her daughter forgive her **The Giving** Vickie Rogers,2006-07 What does a heavenly angel a golden rod to measure the kingdom of heaven and the appearance of Jesus on a January night have to do with the life journey of Gina Miles Everything
