The Psalms of God's Tenderness Edward J. Hahnenberg, 2005-01-14 Many self help spiritual books offer several steps toward growth in the spiritual life The Psalms of God's Tenderness uses seventeen selected Psalms as the starting point for a look at a very personal God who is more in love with us that we can imagine Selected verses from each psalm are illustrated by stories reflections and personal testimonies of saints to world renown philosophers to ordinary people It is a book of uplifting spiritual vision that this world needs It is a work that can be opened to any page where divine comfort and love we all seek can be found

Awakening Vocation Edward P. Hahnenberg, 2010-07-01 Does God have a specific plan for each of us or is it more like general guidelines for all of us How do my gifts and abilities my personality and particular circumstances impact my vocation What is the role of the church in this process What are the needs of the world that call us to respond Awakening Vocation explores these questions and breathes new life into an ancient idea rousing vocation from a centuries long slumber Inspired by the broad and inclusive Vision of the Second Vatican Council the book traces the history of Catholic reflection on vocation and offers a constructive proposal for the present In plain language Edward Hahnenberg argues that Catholic thinking on vocation has been frustrated by a deficient theology of grace and that the key to reclaiming the notion of God's call today lies in a Vision of God's self gift reaching across all of human history and into every human heart Rethinking vocation in light of a revitalized theology of grace helps move beyond earlier dead ends opening up new ways of imagining discipleship and discernment within our wonderfully diverse and yet deeply divided world
